READY KIDS
Dad remember you promised, today I could help make our family's emergency supply kit!
Sure! Let's gather all the items on the Family Supply List and then review what special items our family should include!
I'll read you the list!
First, a radio, flashlight, and two sets of batteries for each! What are you putting in your kit Hector?
Two lightning bugs!
I'll make one for my family too!
Now we need a three day supply of food and three gallons of water for each family member.
And a can opener! Thanks Mom!
Can't forget pet food! This should keep me fed for awhile!
BIRD SEED
Then a complete change of clothing for each of us!
I need to save room for one more scarf!
We better add a few tools!
And a first aid kit, which I see Hector has already found.
Can't forget the fun stuff! My favorite game, CD player and CD's, batteries, books, magazines... How about you, Hector?
TO RORY
Let's see... A picture of cousin Woody, my bug collection, a deck of cards, the latest issue of "Bird's Life" magazine...
BIRD SEED
MY NEST
FLIGHTS of FANCY
Just kidding! All I need is my backpack!
I think we're ready for our final check! What do you think, Dad do we have everything we need in our family's emergency supply kit?
Double check! We rock!

Excellent Rory! It's all here! Flashlight, radio, food and water, clothing, tools, first aid kit, pet food and fun stuff! Even a copy of "Bird's Life"!
How did that get in there?

READY KIDS
Mom, Dad! At school today we did a fire drill and talked about an emergency plan! Do we have an emergency plan for home?
Come inside and let's go over our home plan too.
I love plans but how do we get in touch with each other?
We asked Grandpa Cougie in Florida to be our out-of-town contact.
That way he can tell everyone we are safe!
I do have a cousin Buzz in California!
I keep a copy of contact numbers and where to meet with me at all times.
When you make a call, you may have to be patient getting through. You might have to keep trying.
Once you get through, keep calls short so others can call too!
That rules out Polly. Parrots talk too much anyway!
CAT'S MEOW
THE PAWPRINT
We need two meeting places that are easy to find... one near the house...
The 'Lookout'!
...and one outside the neighborhood
Aunt Clawdia's!
What about our pets?
Yes, we need to make them part of our plan. Also, let's make sure we have plenty of food and water for them in our supply kit.
What am I, chopped liver? I can be a pet too!
Speaking of which, let's check our supply kit and make sure we have everything we need.
SUPPLY K
CHECK! It's all in here!
So... now what?
First... Practice! LET'S GO!
SPLAT!
I think first, you should try opening the door!
Very funny!

READY KIDS
Mom, Dad! Wait 'till you hear what I learned today in Geography class!
We discussed all the weather related emergencies such as hurricanes, tornadoes, earthquakes and even blizzards!
Cool!
You already know how preparing for an emergency is very important!
We have discussed our Family Communication Plan!
And we have assembled a Family Supply Kit!
I have an idea...
But what if something happens when I am at school or practice?
Our meeting place outside the neighborhood is Aunt Clawdia's if you cannot get home.
While you are at school, remember to stay calm and listen to directions of your teachers and principal.
You should always keep contacts and meeting place information ready in your back pack.
And if we need to leave home quickly, we have a portable supply kit ready to grab!
I have a surprise! Follow me!
Where is Hector taking us?
But there is ONE weather condition you have not prepared for!
What's that?
A sunny day!
A picnic! Hector, what a nice surprise!
You really ARE prepared!
