Association Membership allows member to access both Downtown and Benjamin Barnes branches, as well as utilize reciprocity at all YMCA's in Alabama and Mississippi!

Join Fee consists of a one-time payment. The member will pay the join fee and prorated dues for that month upon membership application, and begin drafting from their chosen billing method the following month.

Scholarship applications are available to any member who would like to apply for financial assistance for membership at the YMCA. Please ask our Welcome Staff for details.

Pricing FAQ

Q. What is mY House pricing?

A: mY House pricing was developed to provide every household with a Y membership that fits its unique makeup.

Q. What does it cost to join the Y?

A. Membership rates are determined by the type of membership: Adult, Two adults with children, Senior, Youth, etc.

Q. How many people can I have on my membership?

A. The Tuscaloosa YMCA considers people residing in your household as eligible to be included in a single membership, with a limit of four adults. If there are more than three adults (ages 21 and over) residing in your household, they can be added for \$20 per month per person with a joiner fee of \$20 per person. The maximum number of adults included on single membership is four. All adults and children on a membership must live in the same household. Proof of residency is required.
