Drawing of proposed Commercial banner

Submittal Requirements

No request for a commercial banner permit shall be considered complete until all of the following have been submitted:

- Completed application form
- Drawing of proposed commercial banner including:
 - Height and width
 - Message
 - Method of installation

At least five (5) business days before commercial banners are to be installed a completed application must be submitted and approved. Commercial banner permit number must be displayed in the lower-right corner of all commercial banners.

Commercial Banner Ordinance city code section 24-135 (11)

- Banner signs shall not be located on the public right-of-way of any public street.
- Banner signs may be posted up to fourteen (14) days.
- Each banner shall require a separate permit, and no more than four (4) permits per calendar year shall be issued for any one commercial establishment.
- Banner signs shall not exceed twenty-four square feet.
- In multi tenant properties or shopping centers, each tenant may have no more than one (1) banner per street frontage provided that a banner sign shall not be located closer than 100 feet from another such banner sign on the same premise or site.
- Banner signs shall not be used as a permanent sign.
- Nothing in this provision shall be construed to authorize the posting of such banners upon trees, utility poles, traffic control signs, lights or devices in any place or manner prohibited by the provisions herein, nor on private property without written consent of the owner.
