The City does not and will not assume any responsibility for the means by which or manner in which services by the Developer, provided for herein, are performed, but on the contrary, the Developer shall be wholly responsible therefor.

VIII. INDEMNITY

The Developer hereby covenants with the City that it will indemnify and hold the City and its officers, agents and employees harmless for or on account of any claim, suit, cause of action or judgement arising out of or in any manner associated with this Agreement or services provided or performed by the Developer or any of its officers, agents or employees.

Should the City determine at any time during the term of this Agreement that the Developer is not providing the services within the City Corporate Limits at least equal to the funding herein, then the City may terminate the Agreement immediately. finances. If the Developer refuses to honor the City's request within ten (10) days, it shall refund to the City all funds appropriated to it during the term of the contract. All reports, evaluations and audits required of the Developer pursuant to Article IV of Chapter 2 of the City Code shall also be provided by the Developer to any persons appointed by the City or the Mayor to the Developer's governing body.

Interest of Members of the Local Government: No officer, employee or agent of the local government who exercises any function or responsibilities in connection with the planning and carrying out of the program, or any other person who exercises any function or responsibilities in connection with the program, shall have any personal financial interest, direct or indirect, in this Contract, and the Developer shall take appropriate steps to assure compliance.

B. The Developer agrees that it will incorporate into every subcontract required to be in writing the following provision:

Interest of Developer and Employees - The Developer agrees that no person who presently exercises any functions or responsibilities in connection with the program, has any personal financial interest, direct or indirect, which would conflict in any manner or degree with the performance of services hereunder. The Developer further covenants that, in the performance of this contract, no person having any conflicting interest shall be employed. Any interest on the part of the Developer or its employees must be disclosed to the City. Provided, however, that this paragraph shall not be interpreted in such a manner so as to unreasonably impede the statutory requirement that maximum opportunity be provided for employment of and participation by low income residents of the area.

C. Provisions of the Hatch Act - Neither the funds provided by this agreement nor the personnel employed in the administration of the agreed upon work shall be in any way or to any extent engaged in the conduct of political activities in contravention of Chapter 15 of Title 5, U. S. Code.

III. EQUAL OPPORTUNITY REQUIREMENTS

A. During the performance of this contract, the Developer agrees as follows:

1. The Developer will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, age or handicap. The Developer will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, religion, sex, national origin, age or handicap. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Developer agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause.

2. The Developer will, in all solicitations or advertisement for employees placed by or on behalf of the Developer, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, age or handicap.

3. The Developer will comply with all provisions of Executive Order 11246 of September 24, 1965, and with the rules, regulations and relevant orders of the Secretary of Labor.

4. The Developer will furnish to the local government all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records and accounts by the local government, HUD and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.

5. In the event of the Developer's non-compliance with the non-discrimination clauses of this agreement or with any of the said rules, regulations or orders, this agreement may be cancelled, terminated or suspended in whole or in part and the Developer may be declared ineligible for further local government contracts, in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965 or by rule, regulation or order of the City, Secretary of Labor, or as otherwise provided by law.

6. The Developer will include the provisions of paragraph 1 through 5 above in every contract, subcontract or purchase order unless exempted by rules, regulations or orders of the local government or the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Developer will take action with respect to any contract, subcontract or purchase order as may be directed as a means of enforcing such provisions, including sanctions for non-compliance. Provided, however, that in the event the Developer becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the City, the Developer may request the local government to enter into such litigation to protect the interest of the local government.

7. The Developer agrees that it will assist and cooperate actively with the local government and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations and relevant orders of the Secretary of Labor, that it will furnish the local government and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the local government in the discharge of its primary responsibility for securing compliance.

8. The Developer further agrees that it will refrain from entering into any contract or contract modifications subject to Executive Order 11246 of September 24, 1965 with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order. In addition, the Developer agrees that if it fails or refuses to comply with these undertakings, the local government may take any or all of the following actions: terminate or suspend in whole or in part this contract; refrain from extending any further assistance to the Developer under the program with respect to which the failure or refusal occurred until satisfactory assurance of future compliance has been received from such Developer.

9. Non-segregated Facilities: The Developer certifies that it does not maintain or provide for its employees any segregated facilities at any of its establishments, and that it does not permit its employees to perform their services at any location, under its control, where segregated facilities are maintained. As used in this paragraph, the term "segregated facilities" means any waiting room,

work areas, restrooms and washroom, restaurants and other eating areas, timeclocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated on the basis of race, creed, color, national origin, age or handicap, because of habit, local custom, or otherwise.

10. No person in the United States shall, on the grounds of race, color, religion, sex, national origin, age or handicap, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity made possible by or resulting from this contract. The Developer will comply with all requirements imposed by or pursuant to Title VI of the Civil Rights Act of 1964.

11. The Developer shall maintain data which records its affirmative action in equal opportunity employment, including but not limited to employment, upgrading, demotions, transfers, recruitment or recruitment advertising, layoffs, or terminations, pay or other compensation, and selection for training.

IV. LABOR STANDARDS PROVISIONS

Developer will ensure that the following conditions are met:

A. Contract Work Hours and Safety Standards Act

1. Overtime Requirements. No Contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any laborer or mechanic in any work-week in which he is employed on such work to work in excess of forty hours in any work-week unless such laborer or mechanic receives compensation at a rate not less than one and one-half times his basic rate of pay for all hours worked in excess of forty hours in any work-week.
