Due to the safety and environmental hazards broken glass presents, glass will not be collected in the blue curbside recycling bins and may not be placed inside the blue drop-off recycling trailers.

The glass only drop-off containers will have separate compartments for different glass colors (clear, blue, green, and brown). Lids, corks and labels are okay to leave on bottles and jars, but the glass must be empty, clean and dry.

Glass recycling includes household glass bottles and jars only. ABSOLUTELY NO light bulbs, auto glass, plate glass, mirrors, window glass or glass medical supplies.
