GOVERNMENT FINANCE OFFICERS ASSOCIATION

Distinguished Budget Presentation Award

PRESENTED TO

City of Tuscaloosa Alabama

For the Fiscal Year Beginning

October 01, 2020

Executive Director

Christopher P. Morrill

This page intentionally left blank.

August 27, 2021

Councilors,

The City of Tuscaloosa is one of the most financially strong local governments in the nation. Our strength is allowing us to emerge from the COVID-19 pandemic with the ability to make our community safer and stronger.

It is my honor to present the fiscal year 2022 adopted operating and capital budgets. Dozens of dedicated team members made this budget recommendations possible and I am proud of their work. In particular, I would like to give special recognition to our Accounting and Finance team who has been working diligently the past few months to ensure that the budget submittals reflect our standard of excellence and the achievement of our core beliefs.

Decisive Actions in FY 2021 have Created Opportunities in FY 2022

The fiscal year (FY) 2021 operating and capital budgets required sacrifices at all levels to ensure we could meet the healthcare demands of COVID-19 while maintaining our existing services. Accomplishing this was not easy. The City was losing millions of dollars of tax revenue due to the economic consequences of the Coronavirus. At the same time, we had to spend millions for testing, vaccination clinics and overtime pay.

Understanding this uncertain landscape, the FY 2021 operating budgets reflected a 3.9 percent decrease in overall revenues while implementing the following expenditure reductions:

- 1. A non-public safety hiring freeze that has generated \$1,443,818 in saving across all funds.
- 2. The elimination of three vacant positions which will generate \$225,240 in annual savings.
- 3. The significant reduction of funding to City departments and agencies which generated millions more in savings.

The City's austerity measures have been successful thanks to our team members who were quiet heroes – persevering with innovation and efficiency to deliver on all fronts even in a resource-scarce environment.

In the third quarter of FY 2021, the City's General Fund (GF) revenues rebounded and it is projected that we will exceed budget in most revenue sources. For example, sales tax revenue is projected to be 10 percent above FY 2020 collections while lodging tax will be close to 12 percent higher.

Anemic Revenues are a Threat to the Water and Sewer Fund

The Water and Sewer Fund (WS) is a proprietary fund and operates as a business. In other words, WS customers are to be charged the cost of the service including the long-term operations and maintenance that is required in an infrastructure-intensive operation. The City of Tuscaloosa and the City of Northport are the only two major municipalities that operate and govern directly (i.e. without boards and/or authorities) a combined water and sewer utility in Alabama.

In most of the larger cities in Alabama, the water and/or sewer utility is under the control of a separate authority.

Presently, the WS fund is strong, and with the right revenue and investment strategy it can deliver high quality water and sewer services to the community now and into the future. Since 2006, the WS percentage of debt service to budget has been reduced from 32 percent to 22 percent. This reduction has provided the WS fund the flexibility to provide some of the lowest rates in Alabama.

However, there are issues that must be addressed. WS revenues continue to be anemic due to above normal rainfall, lack of payments due to COVID-19 and insufficient rate increases to address infrastructure since 2014. Below is a brief summary:

- 1. According to the National Weather Service, the average rainfall through August 7 should be 35.85 inches. This year, the City has experienced 52.62 inches. This has led to the City averaging less than 30 million gallons per day of treated water during the peak summer months.
- 2. In March 2020, the City implemented a grace period to assist residents in paying their WS bills due to the job losses from COVID-19. The grace period recently ended, and its impact on WS is significant. As of August 1, 2021, there were 3,701 delinquent WS bills totaling \$1,592,499.
- 3. Since 2014, the City has failed to implement rate increases that corresponded with the operational and maintenance needs of WS. The administration has raised this issue consistently; however, the Council has been reluctant to implement the revenue structure needed to make investments in aging infrastructure.

FY 2022 Budgets are Poised to make Tuscaloosa Safer and Stronger

Unlike FY 2021 budgets, FY 2022 has the potential to jumpstart the City's goal to seize this decade and vastly improve the quality of life in Tuscaloosa. Below are the major highlights of the FY 2022 operating and capital budgets:

- 1. The General Fund (GF) is balanced with revenues and expenses totaling \$174,301,786.
- The GF includes a new police and fire pay plan which takes effect April 1, 2022. The new pay plan places officers at the top ranks of salaries in Alabama, and will be essential in recruiting and retaining the most physically and psychologically fit police officers and firefighters.
- 3. The WS fund includes \$54,579,479 in revenues and \$58,667,933 (including depreciation, which is a non-cash expense).

- 4. From education to public safety, the investments with Elevate Tuscaloosa continue. The recommendations include River District Park, the Benjamin Barnes YMCA, the Downtown-University Corridor project, the Tuscaloosa Tennis Center and the Saban Center.
- 5. The City was awarded \$20,529,224 in the federal American Rescue Plan issued by President Biden. Nearly 75 percent of this funding is being appropriated to the funding losses experienced in FY 2020 and FY 2021.
- 6. A ten-year capital plan for the WS fund will implement a significant investment in our infrastructure totaling \$297,090,076 by FY 2031. These investments will ensure clean drinking water, provide the infrastructure for businesses and industries and expand the opportunities for homebuilding across the City.

The preparation of FY 2022 budgets has been unlike any other during my tenure with the City, and it has been the most rewarding. During a period of transition, the Accounting and Finance Team demonstrated their amazing talents and endless dedication. It has been an honor to be part of their team over the last few months.

Sincerely,

Walt Maddox

Mayor

The fiscal year 2022 budget development focused on tentative resumption of the local economy after the COVID-19 pandemic, while continuing to conservatively manage fiscal spending to hedge against possible future backslides. This was accomplished by presenting a financial plan which allocated level funding to operating departments while scrutinizing additional spending requests and strategically assigning them to align with the Mayor's core beliefs (as outlined below).

- Citizens must be safe, whether crime, fire, medical response or an act of nature, our response is swift and
 effective.
- Neighborhood protection and economic growth are achieved through conservative financial management, comprehensive planning and strategic infrastructure investments.
- 3. All underserved areas deserve investments that enhance educational, economic and recreational opportunities.
- 4. Elite customer service is a shared responsibility of everyone is our work must be guided by responsiveness, respect and accountability.

Immediately prior to the kickoff of the 2022 budget development process, both the Mayor and City Council elections were held in March 2021. Mayor Walt Maddox was re-elected and the City Council saw five of the seven member seats overturn. Having a seasoned Mayor and a relatively junior City Council, the Mayor presented an executive agenda to the Council based on the above core beliefs. Agenda items included the following:

1. Core belief regarding public safety:

- a. Update public safety pay plan
- Adopt a Project Unity masterplan (Project Unity is a community engagement initiative designed to bridge gaps between our officers and the citizens of Tuscaloosa while creating equal opportunities for our community. Unity.tuscaloosa.com)
- c. Establish a sustained funding model for Police and Fire Pension Fund or convert to Retirement Systems of Alabama
- d. Establish Mental Health Court for Municipal Court
- Neighborhood protection and economic growth are achieved through conservative financial management, comprehensive planning and strategic infrastructure investments.
 - a. Leverage the American Rescue Plan and possible infrastructure bill
 - b. Invest in necessary infrastructure with 10 year water and sewer plan, continuing annual paving schedules and implementing a consolidated code enforcement.
 - c. Streamline the City's operations with greater oversight on position control and re-evaulating spending on travel and training.
- 3. All underserved areas deserve investments that enhance educational, economic and recreational opportunities.
 - a. Continue universal pre-k, increase dueal enrollment scholarships to include workforce development, increase summer learning academy enrollment.
 - b. Expand Tuscaloosa Transit Authority for more evening routes and establish weekend routes for workforce accessibility.
 - c. Focus economic development resources to expand knowledge and technology based sectors.
 - d. Partner with YMCA and PARA to increase participation and access to youth sports and recreation.

- 4. Elite customer service is a shared responsibility of everyone is our work must be guided by responsiveness, respect and accountability.
 - a. Hire, promote and retain the best and brightest who share the same core beliefs.
 - b. Engage continuously with stakeholders, customers and citizens.
 - c. Commit to technology integration and coordination.
 - d. Implement a new water and sewer billing system.
 - e. Amplify our message by fully utilizing public access channel, digital communications and social media.

Budgets and Strategic Planning

The fiscal year 2022 budget process was arguably one of the most successful budgets in the City's history. Similar to prior years, the Accounting and Finance Department's budget team began the process by asking each department to level fund their operating budgets based on prior year, ostensibly carrying forward the budget cuts implemented during the depths of the pandemic. Departments were also asked to provide a listing of unfunded initiatives and short-term and long-term goals. Each goal and unfunded initiative was to be tied to one or more of the Mayor's core beliefs and one or more of the policy agenda focus areas. This strategic planning picture from each department provides Council and citizens an understanding of how each request ties into the City's long-term trajectory. This process allows for more discussion of the City's goals as whole, rather than the day-to-day operations of each department. In addition, the discussion surrounding each department's goals highlights any significant changes in priorities year over year.

As part of this year's budget process, the Mayor not only presented recommendations for the General Fund and Water and Sewer operating budgets, but also included recommendations for capital funds, American Rescue Plan (ARP) funding, as well as a ten year Water and Sewer plan. While the addition of these various budgets took an extensive amount of time and work, we feel this detail added more transparency and consideration points for the Council. With more information and more substantive debate, this ultimately assisted with their decision making process. As an example, a 10-year graduated water and sewer rate increase schedule was recommended in this year's Water and Sewer operational fund budget to fund much need infrastructure improvements. To provide the full picture, this year's budget document also provides the Water and Sewer capital fund detail of those projects that will be funded by the increases.

Current Issues

As previously stated, one of the most challenging current issues facing budget compilation is the reduction in our Water and Sewer revenues due to above normal rainfall, lack of payments due to COVID-19 and insufficient rate increases since 2014 needed to address infrastructure needs. To address this issue, the Mayor proposed and City Council approved an overall 8% rate increase with 3.5% earmarked for immediate infrastructure needs. In addition, the City recently ended its delinquent water and sewer bill grace period that was implemented in March 2020 to assist residents that may have been effected by job losses due to COVID-19. We are hopeful that these actions will result in sufficient revenue increases in the coming years to assist with much needed infrastructure improvements.

The City is also facing high sworn public safety officer turnover. Citizens' safety is the highest priority of any government and therefore, it is imperative that we have the most experienced and qualified public safety employees. To begin to address this challenge, the Mayor recommended a new public safety pay plan, which will place officers at the top ranks of salaries in Alabama. The plan was adopted unanimously by the City Council and will be implemented beginning in April 2022. It will be essential in recruiting and retaining the most physically and psychologically fit police officers and firefighters.

Economic changes in the retail industry continue to be one of the principal issues for the City's revenue growth as it is around the nation. While sales tax collections are increasing each year, the growth rate is slowly declining due to the shift in sales from traditional "brick and mortar" retail stores to online retailers. In 2015, the State of Alabama passed ACT 2015-448, which was the state's first step in addressing the crippling effect of not capturing and collecting sales tax in our evolving, online retail economy. This legislation established the Simplified Sellers Use Tax or SSUT. The SSUT program, administered by the State, began with voluntary enrollment and allowed online retailers to collect a flat 8 percent tax on every sale made to a customer in Alabama. During the 2018 Legislative session, Act 2018-539 was adopted, making SSUT mandatory for all online retailers and third party sellers meeting certain criteria, effective January 2019. While the percentage of sales tax collected through this program is significantly less than the traditional sales tax collection, the City has seen significant growth in SSUT collections since the inclusion of third party sellers. As a result, \$4,715,,000 is budgeted for FY 2022, representing a 41% increase over FY 2021 budget and a 26% increase over FY 2020 collections. The City is monitoring and plans to participate in lobbying for future legislation regarding online sales tax collections, a proactive approach to growing the revenue base.

Further, the City plans to continue focusing on building Tuscaloosa's "experience economy." In April 2019 the City Council passed "Elevate Tuscaloosa" which began with a 1% sales tax increase effective October 1, 2019 to fund investments in education, cultural arts, tourism, parks, recreation and connectivity. As it relates to tourism, the City plans to focus on adding to, as well as enhancing attractions throughout the city in hopes to increase revenues in areas such as lodging and dining and attract economic and industrial development.

Budget Priorities

Additional high priority items for this budget year included a 2.5% COLA for employees, Restart Tuscaloosa investments and various capital equipment investments.

- Investment in Employees: A 2.5% cost of living adjustment is included for all employees effective October 1, 2021.
- Restart Tuscaloosa: Restart Tuscaloosa is an Elevate Tuscaloosa initiative that began as part of the fiscal year 2021 budget. It will invest \$15 million over the three years in public safety, neighborhoods, small businesses and local agencies negatively affected by the COVID-19 pandemic. This initiative will work as a catalyst to jumpstart

Tuscaloosa's economy by setting a strong foundation for Tuscaloosa businesses and residents in the wake of this international pandemic. As part of the fiscal year 2022 budget, \$2,000,000 will be invested in public safety, \$1,270,000 into economic revitalization and \$3,500,000 into neighborhood investments.

- **Capital Equipment Investments:** The fiscal year 2022 budget includes much needed capital equipment investments which are funded through various sources, including the General Fund, American Rescue Plan, and other various capital funds. A listing of approved equipment can be found in the Capital Expenditure section.
- **Capital Project Investments:** Various capital projects were funded as part of the Water and Sewer 10 year plan, as well through various capital project funds and the American Rescue Plan funding. See the Capital Expenditure section for a listing of all proved projects.
- Information and Technology Investments: Public safety software, IT servers, OCA office management software and other various information technology needs were funded through this year's budget.

Budget Highlights

As part of the annual budget compilation process, each department prioritized their unfunded requests and discussions were held to review those items during budget hearings with the budget team, Mayor, and again with City Council. Any issues or items of concern were noted during these meetings and available funding areas strategically applied to ensure the appropriate items were implemented within the budget. The following sections highlight the priorities for the fiscal year 2022 budget by operating fund.

Elevate Tuscaloosa

The 1% tax increase approved by Council and effective October 1, 2019 supports the funding of high priority projects throughout the City of Tuscaloosa in education, infrastructure, economic development and public safety. The objective is to fund the best projects/initiatives that meet the City's standard of excellence. Project highlights are detailed below:

Connectivity

- Downtown-University corridor improvements
- Downtown, Riverfront and Workforce transit improvements and updates
- Expansion of the Riverwalk, into both western and northern Tuscaloosa

Cultural Arts and Tourism

- Development of the Saban Center, an experiential learning and discovery complex
- Gateway Discovery Center updates and reimagining

Parks and Recreation

- Community center improvements and modernizing facilities
- Partnership with the Benjamin Barnes YMCA to provide improved facility and programmatic access to underserved youth
- Park improvements and modernizing facilities
- Expanding Tuscaloosa Tennis Center to attract tournaments and improve the experience for citizens
- River District Park construction to enhance the trailhead along the western Riverwalk and compliment the Saban Center development

Restart Tuscaloosa

• Investment in public safety, neighborhoods, small businesses and local agencies negatively affected by the COVID-19 pandemic.

Education

- Investments in Tuscaloosa Pre-K to reach academically at-risk students
- Expansion of Summer Learning Academies
- Career and college ready dual enrollment scholarships
- Scholarships to the Skilled Trades Academy of West Alabama

Public Safety

• 15% of Elevate Tuscaloosa Fund revenues will be used for public safety expenditures related to capital assets, infrastructure and recruitment/retention of sworn personnel

Administration and Operations

- 15% of net revenues will be set aside annually to cover operating and maintenance expenses of Elevate Tuscaloosa projects. In the fiscal year 2022 budget those items are:
 - o Park maintenance crew and equipment
 - Environmental Services crew and equipment

Budget Highlights

General Fund and Water & Sewer Fund

Reduction in Operating Budgets

Due to the COVID-19 crisis, City departments were tasked with reducing their overall operating budgets in fiscal year 2021. To continue conservative budgeting practices with the uncertainty of COVID-19 recovery, departments were level funded from fiscal year 2021. Certain exclusions applied, such as personnel and city-wide insurance.

Health Insurance

- The budget includes a \$50,000 transfer from the General Fund to the City's Health Insurance Fund and \$25,000 from the Water and Sewer Fund to offset the deficit fund balance.
- The adopted fiscal year 2022 budget includes a 3.6% increase to cover health insurance premiums due to increased costs from Blue Cross Blue Shield.

Investment in Employees

City employees remain a top priority. The FY 2022 budget reflects that by funding a 2.5% cost of living increase, investment in a new public safety pay plan as previously detailed, escrow fund creation of conversion for the Police and Fire Pension Plan conversion to Retirement Systems of Alabama as well as an additional holiday, Juneteenth, added to the calendar.

- **Cost of Living:** \$1,946,719 for General Fund and \$274,718 for Water and Sewer budgeted to fund the 2.5% COLA effective for all employees beginning October 1, 2021
- > Public Safety Pay Plan: \$2,422,538 in the General Fund for the new plan to go into effect April 2022
- **Police and Fire Pension RSA Conversion Escrow:** \$1,116,250 in the General Fund and will remain restricted in the fund balance until used
- Juneteenth: \$145,046 in the General Fund and \$74,948 in the Water and Sewer Fund for holiday pay

Budget Highlights

Agency Funding

Agencies represent 9.23% of the General Fund budget and were funded \$11,865,745. This represents an increase of \$1,002,566 over prior year budgets.

Vehicles, Equipment and Capital Projects

As part of the fiscal year 2022 budget process, vehicles, equipment and capital projects were funded through various revenues sources. These funding sources include the General Fund, General Fund Reserve for Future Improvements Fund, General Fund Facility Renewal Fund, Alabama Trust Fund award, American Rescue Plan award, Public Safety and Public Works Capital Funds, Water and Sewer Fund, Water and Sewer Reserve for Future Improvements Fund, and Elevate Tuscaloosa Fund. In total, the fiscal year 2022 budget includes **\$20,227,658** in capital expenditures and will be distributed as follows:

- The Infrastructure and Public Services Department will receive \$2,777,500 for capital equipment. New equipment includes, but is not limited to squad trucks, garbage truck, recycling trucks, various mowers and trailers.
- > \$2,414,000 will be invested in the **Police Department** for the purchase of **40** new police vehicles and **8** new motorcycles as well as a new K9 and cyber unit equipment.
- The Tuscaloosa Fire and Rescue Service will receive \$2,479,000 for capital purchases. New equipment includes a extrication equipment, dive team gear, and 2 vehicles. A majority of the funding, \$2,305,000, is allocated to the design of a new Fire Station #6 and the fleet maintenance bay of Fire Station #5.
- > Information Technology will receive \$1,617,601 for various new servers and to replace lifecycle equipment.
- \$936,001 will be paid towards the Public Safety Radio System lease. This will be year 3 of 7.
- \$6,054,317 in City-wide resurfacing projects funded through the fiscal year 2022 estimated gas tax distribution, Restart Tuscaloosa initiative, and General Fund Reserve for Future Improvements project close-outs and American Rescue Plan.

Total Adopted Budget Overview

The fiscal year 2022 adopted budget totals \$270,629,219. For the General Fund and Elevate Tuscaloosa Fund, revenues and expenditures are balanced. The Water and Sewer Fund shows budgeted expenses in excess of revenues of \$4,088,454 due to debt service principal payments of \$10,490,000 that will be treated as a reduction of liabilities rather than an expense for financial statement purposes. Excluding this amount, the Water and Sewer Fund would have excess revenues over expenses of \$6,401,546. The chart below summarizes the total adopted budget by revenue source and expenditure use.

| | | Elevate | Water and | |
|------------------------------------|---------------------|-----------------|--------------|---------------|
| | General Fund | Tuscaloosa Fund | Sewer Fund | Total |
| Revenues | | | | |

Budget Process Timeline

The City of Tuscaloosa's budget is a process that spans the entire year and requires collaborative efforts of staff throughout multiple departments. At the beginning of each budget year, the Budget Team meets with the Mayor to discuss priorities and goals, as well as lay down a framework for the upcoming budget process. In addition, the City's Communications department conducts a survey of our Citizens to better understand what their top priorities are.

Each year, departments and agencies of the City are level funded based on the prior year budget. The Budget Team understands that priorities can change from year to year and therefore, have provided departments the ability to shift resources within their budget as they see fit. For all additional needs which fall outside of level funding, departments are asked to submit their requests in order of priority, as well as tie each request to one or more of the Mayor's core beliefs. During each department's budget hearing, these requests are reviewed by the Mayor and Council, and if approved are included in the upcoming budget.

As part of the initial budget process, departments submit their level funded budget, unfunded initiatives, and well as short and long-term goals. This information is then compiled by the Budget Team and included as part of the draft budget document, which is reviewed during the Mayor's departmental budget hearings. Throughout these budget hearings, departments discuss their budget submission for the upcoming fiscal year, significant changes from the prior year, as well as unfunded requests. During this time, the Mayor will make any additions or changes as he sees fit. Once the Mayor has completed his departmental budget hearings, the Budget Team incorporates the Mayor's changes into the draft budget document. In addition, the results of the Citizen survey are reviewed and any recommended changes by the Mayor are also incorporated. Once the draft budget is completed, the Mayor presents his budget recommendation to citizens and the City Council. A copy of the presentation, copies of the budget document and the presentation are made available to City Council, as well as to citizens through the City's website.

In the weeks following the Mayor's budget presentation, the City Council holds departmental budget hearings in which they review each department's budget submissions, along with the Mayor's recommendations. During these hearings, Council reviews each department's budget submission and unfunded requests, and makes inquiries as necessary. Following the last hearing, the Budget Team incorporates any changes Council has made to the budget document and generates the final budget for adoption. On or before the last City Council meeting prior to the beginning of the new fiscal year, the City Council votes on the proposed budget. The final adopted budget becomes effective October 1st, the start of the new fiscal year. In the week following the adoption of the budget, the final budget document is uploaded to the City's website, as well as provided to each department for their reference.

May-June

- Q&A session for departments with Budget Team
- Budget documents uploaded to internal share folder for departments
- Financial system open for budget input by departments
- Five week period for department heads to enter budget
- Unfunded requests and goals due from departments

July - August

- Draft budget document compiled and provided to the Mayor
- Mayor Departmental Hearings are held
- Mayor finalizes budget document with Budget Team
- Mayor presents budget to City Council

September

- Council Budget Hearings with Departments
- Budget Adoption

History and General Information

The City of Tuscaloosa is located on the banks of the Black Warrior River and is the regional center of industry, commerce, healthcare, and education for the area of west Alabama. The City is the fifth largest in the state with an estimated population of 100,287 in 2018, a growth of over 20% in the last ten years.

Incorporated on December 13, 1819, the City of Tuscaloosa was named after the chieftain of a band of Muskogean-speaking people, Chief Tuskaloosa, who was defeated by Hernando De Soto at the Battle of Mabila in 1540. Tuscaloosa once served as Alabama's capital city from 1826 to 1846. During this period, in 1831, the University of Alabama was established and has greatly contributed to the economic prosperity of the City. Along with this university, Tuscaloosa is home to both Stillman College and Shelton State Community College, creating a thriving hub of education and culture not otherwise found in southern cities of similar size.

Tuscaloosa has been traditionally known as the "Druid City" due to the numerous water oaks planted in its downtown

streets since the 1840s. However, in recent years the city has adopted a new moniker "The City of Champions" due to the sports successes of the University of Alabama. No matter the name, Tuscaloosa continues to be deeply rooted in traditions and southern charm that leaves a lasting impression with all who visit.

Government and Organization

Tuscaloosa operates under a mayor-council form of government, led by a mayor and a seven-member city council. The Mayor is elected by the city at-large while the City Council members are elected from single-member districts. Each elected official serves concurrent four-year terms. Responsibility for day-to-day operations of the City rests with the Mayor as chief executive officer. Walt Maddox was elected and sworn in as Mayor in October 2005 after sitting as Councilmember for District Six for four years. All Councilmembers sit on various Council Committees that interact directly with City departments. The City Council directly appoints a municipal court judge.

The City provides a full range of municipal services including police and fire protection, water and sewer services, solid waste collection, construction and maintenance of streets, infrastructure, community services and general government. In addition, the City also provides funding to external agencies of the City spanning education, parks and recreation, industrial development, mental health, arts and entertainment, transit, library, and community outreach programs.

Parks and Recreation

The Tuscaloosa County Parks and Recreation Authority ("PARA"), is a County agency that receives large amounts of funding from the City, and operates several parks and activity centers within the City. PARA is known for its participation in work therapy programs with the local VA. Additional public recreational sites are owned and maintained by the University of Alabama and the Army Corps of Engineers, among other federal agencies. The University's Arboretum is located on 60 acres, adjacent to the VA Hospital. The arboretum's primary emphasis is on Alabama's native flora and fauna. It includes 2.5 miles of walking trails, a wildflower garden, ornamental plants, an experimental garden, a bog garden, an open-air pavilion, a children's garden, and two greenhouses containing collections of orchids, cacti, and tropical plants. Capitol Park is home to the ruins of the former state capitol building or State House. Other parks in Tuscaloosa include: Tuscaloosa Memorial Park, Tuscaloosa River Walk, J. Oviatt Bowers Park, Snow Hinton Park, Monnish Park, Annette N. Shelby Park, Kaulton Park, Palmore Park, and many others.

Transportation

The City is served by Interstates 20/59 and 359, U.S. Highways 11, 43 and 82, and State Highways 69, 171, 215 and 216. The City is served by both motor freight and heavy hauling companies that offer numerous freight transportation options for local industry. Liquid or dry bulk trucking and local cartage trucking are available. The Tuscaloosa County Transit Authority provides bus service for seven different city routes daily. In addition to the regularly scheduled service, vans are available on a call-in basis for the elderly and handicapped, and Trolley buses loop from the University through downtown during lunch and evening hours. Greyhound Bus Lines provides passenger bus service to the City. Norfolk Southern and Kansas City Southern Railway provide freight service to the City. Passenger service is provided by Amtrak. The Black Warrior River is part of Alabama's inland waterway system and bisects Tuscaloosa County. The river connects Tuscaloosa County with the Port of Mobile, via the Tennessee-Tombigbee Waterway, to the Tennessee, Ohio and Mississippi Rivers. The Alabama State Port Authority's Tuscaloosa-Northport Inland Dock is located in Tuscaloosa County. Parker Towing Company, with headquarters in Tuscaloosa, provides regional and local barge service and is one of the largest barge lines in the Southeast. Tuscaloosa National Airport is a city-owned public-use airport, located 3.5 miles northwest of the City. The airport covers an area of 724 acres and is equipped with two paved and lighted runways (6,499 feet and 4,001 feet). The nearest commercial airline service is at the Birmingham-Shuttlesworth International Airport, which is approximately 58 miles from the City.

Local Economy

The City of Tuscaloosa has a diverse economy and benefits from employment stability provided by major employers including the University of Alabama, Mercedes-Benz International, DCH Health Systems, and numerous manufacturing companies. With over 11,000 employees, the University of Alabama continues to be one of the most influential drivers of Tuscaloosa's growing economy. While the University provides a valuable economic benefit, the City must continually manage the growing demand for services, as well as provide a desirable place to live for its residents. This is accomplished through strong fiscal policies and collaborative efforts throughout the City's annual budget process.

In recent years, Tuscaloosa has been named the "Most Livable City in America," one of America's "100 Best Communities for Young People," one of the "50 Best College Towns," and one of the "Best Places to Launch a Small Business".

Demographics

Population

The following table sets forth population statistics for the City of Tuscaloosa, Tuscaloosa County, the State of Alabama and the United States.

| | 1980 | 1990 | 2000 | 2010 | 2019 | 2020 |
|--------------------|-------------|-------------|-------------|-------------|-------------|-------------|
| City of Tuscaloosa | 75,211 | 77,759 | 77,906 | 90,409 | 101,897 | 102,819 |
| Tuscaloosa County | 137,541 | 150,522 | 164,875 | 194,656 | 210,321 | 210,758 |
| State of Alabama | 3,894,025 | 4,040,389 | 4,447,100 | 4,785,514 | 4,907,965 | 4,921,532 |
| United States | 226,542,204 | 248,718,302 | 281,421,906 | 309,327,143 | 328,329,953 | 329,484,123 |

Income Levels

Median family income is defined by the U.S. Census Bureau as the amount which divides the income distribution of families into two equal groups, half having incomes above the median, half having incomes below the median. For the year 2021, the U.S. Department of Housing and Urban Development estimates the following with respect to median family income levels in the jurisdictions indicated:

| | Median Family |
|------------------|---------------|
| | Income |
| Tuscaloosa MSA | \$70,900 |
| State of Alabama | \$66,700 |
| United States | \$79,900 |

Source: U.S. Department of Housing and Urban Development.

Employment

Tuscaloosa is the hub of the West Alabama Region with a non-agricultural workforce of over 95,000. Approximately 30 percent of these individuals are employed in government, healthcare and education with another 16% employed in manufacturing. Automotive, electronics, plastic injection molding, steel, wood products, food products and chemicals are just some of the many industries that make up West Alabama's manufacturing core.

Unemployment Rate

The Tuscaloosa area's unemployment rate is currently 3.8%, a decrease of 3% over prior year. The decrease can be attributed to the COVID-19 crisis, which severely affected the restaurant, travel and retail industries over the past year and half. Those industries have since begun to recover, which is reflective in the reduced unemployment rate. The current average unemployment rate is slightly higher than the State of Alabama average 3.6%, and fell below the U.S. average of 5.7%.

| | 2019 | 2020 | 2021* |
|------------------|------|------|-------|
| Tuscaloosa MSA | 2.8% | 6.8% | 3.8% |
| State of Alabama | 3.0% | 6.0% | 3.6% |
| United States | 3.7% | 8.1% | 5.7% |

Top Taxpayers

Largest Sales Tax Payers

Listed below are the ten largest sales tax payers in the City listed in alphabetical order for the 2020 fiscal year:

| Taxpayer | Business or Industry |
|-----------------------------------|------------------------|
| Aramark Educational Services, LLC | Food Service |
| Home Depot | Retail Building Supply |
| Lowes of Tuscaloosa | Retail Building Supply |
| Publix | Grocery |
| Sam's Club | Retail |
| Target Stores | Retail |
| Tuscaloosa Toyota | Auto Sales |
| University of Alabama | Higher Education |
| Wal-Mart Supercenter | Retail |
| Winn Dixie | Grocery |

Source: City of Tuscaloosa Accounting and Finance Department, Revenue Division

Based on our most recently audited financial statements for FY 2020, the total sales tax paid to the City directly by the above listed taxpayers for the 2020 fiscal year was \$16,094,207. Per Alabama law, individual taxpayer sales tax amounts paid is confidential information and illegal to disclose.

Largest Property Taxpayers

Listed below are the ten largest property taxpayers in the City and the amount of property taxes paid by each during the tax year ending September 30, 2020. The amounts shown under the heading "Total Property Taxes Paid" represent only the collections from the 13.5 mills levied on property in the City's jurisdiction.

| Taxpayer | Total Property Taxes Paid | Total Assessed Value of All Property Within City Limits |
|---------------------------------|------------------------------|------------------------------------------------------------|
| Alabama Power Company | \$530,831 | \$39,320,780 |
| Phifer Wire Products, Inc. | 237,917 | 18,157,560 |
| The Greens at Tuscaloosa | 135,994 | 10,073,620 |
| Bolta US LTD | 125,303 | 9,281,700 |
| ZF Chassis Systems | 115,555 | 8,559,660 |
| Woodlands of Tuscaloosa LLC | 106,650 | 7,900,000 |
| Tamko Roofing Products Inc | 103,493 | 7,666,160 |
| Cedar Crest Land LLC | 97,610 | 7,230,340 |
| Jefferson Loft LLC | 97,214 | 7,201,000 |
| University House Tuscaloosa LLC | 94,521 | 7,001,520 |
| Total | \$1,645,088 | \$122,392,340 |

Revenue Budget Methodology and Projections

The City's revenue budget methodology is very conservative and uses an incremental approach when it comes to formulating next year budget amounts. The City uses trend analysis to project current year revenues, which are then used as the baseline for the upcoming year, with little to no growth factored in. For example, if sales tax for the current year is trending 1.5% higher than the prior year, that percentage is used to project remaining revenues for the current year. For the next year, we use the projected current year amounts as a starting point. Depending on the revenue source and historical trends, we may add growth into our projection if the historical trends support the growth factor.

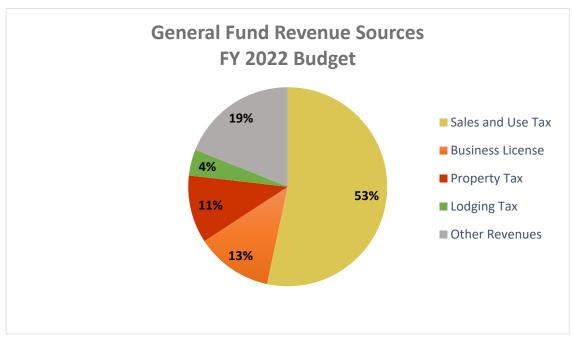

General Fund

The City's General Fund revenues have continued to see growth in recent years due to a rapidly growing economy. However, due to the impact of COVID-19, our revenues (in particular sales tax and lodging tax) were negatively impacted throughout fiscal year 2020 and into fiscal year 2021. In quarter three of fiscal year 2021, we began to see our major revenues recover and are now projecting significant budget surpluses. Given these increases, our budgeted revenues for FY 2022 are \$12,162,387 higher than FY 2021, representing a 7.5% increase overall.

The chart below compares the FY 2022 budget to FY 2021 by major category.

| Revenue Category | FY 2022 Adopted Budget | FY 2021 Revised Budget | Increase Over Prior Year | % Increase Over Prior Year |
|---------------------|---------------------------|---------------------------|-----------------------------|----------------------------------|
| Sales and Use Tax | \$92,994,000 | \$83,213,421 | \$9,167,579 | 12% |
| Business License | 21,681,000 | 22,227,500 | (546,500) | (2%) |
| Property Tax | 19,209,592 | 18,828,592 | 381,000 | 2% |
| Lodging Tax | 7,401,677 | 5,061,000 | 2,953,677 | 46% |
| Other Revenues | 33,015,517 | 32,808,436 | 207,082 | .6% |
| TOTAL | \$174,301,786 | \$162,138,949 | \$12,162,838 | 8% |

The largest revenue sources for the General Fund are sales and use tax, business license fees, property tax, and lodging tax. These revenue sources make up approximately 81% of all General Fund revenues as shown in the chart below.

Revenue Budget Methodology and Projections

The City's revenue budget methodology is very conservative and uses an incremental approach when it comes to formulating next year budget amounts. The City uses trend analysis to project current year revenues, which are then used as the baseline for the upcoming year, with little to no growth factored in. For example, if sales tax for the current year is trending 1.5% higher than the prior year, that percentage is used to project remaining revenues for the current year. For the next year, we use the projected current year amounts as a starting point. Depending on the revenue source and historical trends, we may add growth into our projection if the historical trends support the growth factor.

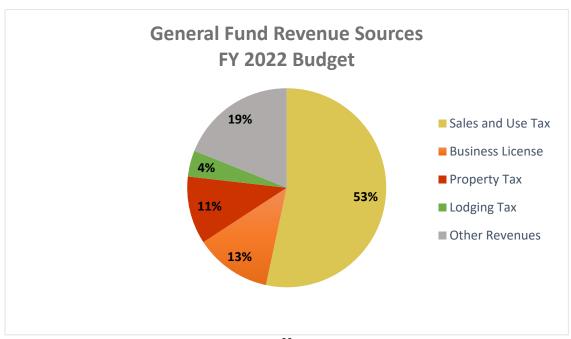

General Fund

The City's General Fund revenues have continued to see growth in recent years due to a rapidly growing economy. However, due to the impact of COVID-19, our revenues (in particular sales tax and lodging tax) were negatively impacted throughout fiscal year 2020 and into fiscal year 2021. In quarter three of fiscal year 2021, we began to see our major revenues recover and are now projecting significant budget surpluses. Given these increases, our budgeted revenues for FY 2022 are \$12,162,387 higher than FY 2021, representing a 7.5% increase overall.

The chart below compares the FY 2022 budget to FY 2021 by major category.

| Revenue Category | FY 2022 Adopted Budget | FY 2021 Revised Budget | Increase Over Prior Year | % Increase Over Prior Year |
|---------------------|---------------------------|---------------------------|-----------------------------|----------------------------------|
| Sales and Use Tax | \$92,994,000 | \$83,213,421 | \$9,167,579 | 12% |
| Business License | 21,681,000 | 22,227,500 | (546,500) | (2%) |
| Property Tax | 19,209,592 | 18,828,592 | 381,000 | 2% |
| Lodging Tax | 7,401,677 | 5,061,000 | 2,953,677 | 46% |
| Other Revenues | 33,015,517 | 32,808,436 | 207,082 | .6% |
| TOTAL | \$174,301,786 | \$162,138,949 | \$12,162,838 | 8% |

The largest revenue sources for the General Fund are sales and use tax, business license fees, property tax, and lodging tax. These revenue sources make up approximately 81% of all General Fund revenues as shown in the chart below.

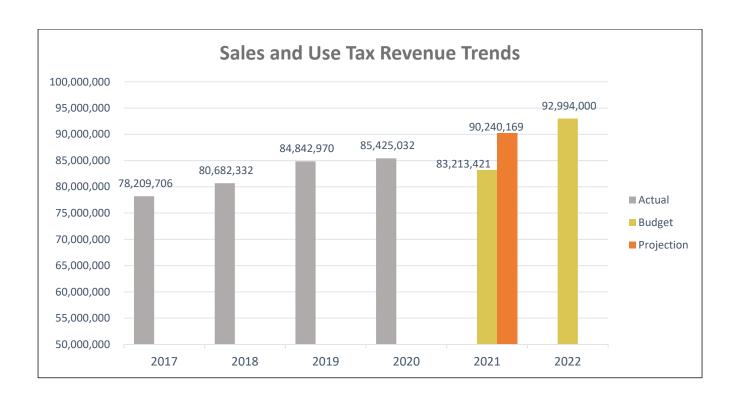

Sales Tax and Use Tax

Pursuant to Section 11-51-200 of the Code of Alabama (1975), the City has levied a privilege or license tax in an amount equal to 3% of the gross proceeds of sales by a business, except where a different amount is expressly provided within the Tuscaloosa City Code. The City has levied a parallel use tax on the cost of goods received within the City not subject to the sales tax.

Sales tax and use tax revenues continue to be Tuscaloosa's foremost revenue streams, with over 50% of General Fund revenues derived from these sources. Revenues in this category include City, school and County sales tax along with use tax, Simplified Sellers Use Tax, and various alcohol and tobacco taxes. The FY 2022 budgeted amounts for these taxes reflect increases in collections seen in the latter part of fiscal year 2021. However, given the uncertainty still surrounding COVID-19, we have remained conservative with these projections by forecasting little to no growth for this upcoming fiscal year.

The charts below display historical sales and use tax revenue (including online sales tax) trends as well a year over year comparison of the revenues included in this category.

| Sales and Use Tax Source | FY 2022 Adopted Budget | FY 2021 Revised Budget | Increase (Decrease) Over Prior Year | % increase Over Prior Year |
|-----------------------------|---------------------------|---------------------------|-------------------------------------------|-------------------------------|
| City Sales Tax | \$41,091,000 | \$38,886,254 | \$2,204,746 | 6% |
| Sales Tax Rebates | (670,000) | (543,333) | (126,667) | 23% |
| Use Tax | 4,511,000 | 4,330,000 | 181,000 | 4% |
| SSUT | 4,715,000 | 3,350,000 | 1,365,000 | 41% |
| Liquor Tax | 2,292,000 | 1,611,000 | 681,000 | 42% |
| Beer Tax | 410,000 | 382,000 | 28,000 | 7% |
| Tobacco Tax | 687,000 | 675,000 | 12,000 | 2% |
| County Sales Tax | 18,844,000 | 16,736,000 | 2,108,000 | 13% |
| City School Sales Tax | 19,639,000 | 16,501,500 | 3,137,500 | 19% |
| Local Gasoline Tax | 632,000 | 615,000 | 17,000 | 3% |
| Other Revenues | 843,000 | 670,000 | 173,000 | 26% |
| TOTAL | \$92,994,000 | \$83,213,421 | \$9,780,579 | 12% |

Sales Tax Rate

As of October 1, 2019, the current sales tax rate in the City of Tuscaloosa is 10%. The chart below details the breakdown of the 10% sales tax in the City of Tuscaloosa and how the tax is allocated.

| | Sales Tax 10% |
|--------------------|------------------|
| State of Alabama | 4% |
| City of Tuscaloosa | 3% |
| Tuscaloosa County | 3%* |

^{*}The 3% County sales tax is further allocated as follows:

| | 3% County Sales Tax |
|-------------------------------------|------------------------|
| Tuscaloosa County Schools | 25% |
| Tuscaloosa City Schools | 20% |
| City of Tuscaloosa | 19% |
| Tuscaloosa County Commission | 14.3% |
| Road Improvement Commission | 10% |
| Druid City Hospital | 6.7% |
| City of Northport | 5% |

City Sales Tax

From 2015 to 2019, City sales tax has grown nearly 10% overall, with an average annual growth of 2.5%. However, due to COVID-19, fiscal year 2020 saw an approximate 3% decline year over year. Given the uncertainty surrounding the pandemic, the budget team took a very conservative approach to budgeting our FY 2021 revenues. This approach has certainly paid off, as we are now anticipating an approximate \$2.8 million surplus in our city sales tax revenues. Given the recovery in these revenues collections, the FY 2022 adopted budget reflects a 7% increase in City sales tax compared to prior year budget. In an effort to remain conservative, the budget team used current year trends and projected that we would end the year at \$40,684,586. An additional 1% growth was added on, resulting in a budget of \$41,091,000.

The General Fund will receive 2% of the 3% City sales tax and the Elevate Tuscaloosa Fund will receive the remaining 1%.

Simplified Seller's Use Tax (SSUT)

E-commerce has grown in popularity and the State of Alabama has attempted to adjust revenue sources derived from sales by passing Act 2018-539 in April 2018 becoming one of the first states in the nation to address the issue with direct legislation. Since 2015, the State of Alabama has had a mechanism to capture online sales tax known as the Simplified Sellers Use Tax (SSUT) which allowed online retailers to collect a flat 8 percent tax on every sale that was made to a customer in Alabama. With the passage Act 2018-539, effective January 2019, the SSUT program expanded to include third-party sellers that do business on the larger online market platforms such as Amazon. Because of this change, the City has seen significant increases in the revenue it receives from the program. As a percentage, SSUT revenues are projected to have grown in FY 2021 by 1021% since fiscal year 2017 and 139% since fiscal year 2019. As internet sales continues to threaten sales tax revenues, having a program in place is a proactive approach at the statewide level to begin combatting these challenges.

City Portion of County Sales Tax

Similar to City sales tax, from 2015 to 2019 the City's portion of the County sales tax (19% of 3%) grew 23%, with an average annual growth of 5.9%. Due to COVID-19, the City saw a decline in fiscal year 2020 collections beginning in March and fell short of the fiscal year 2020 budget by approximately \$86,000. Similar to sales tax projections, the City took a very a conservative approach to forecasting our fiscal year 2021 County Sales Tax revenues, and are now anticipating a budget surplus of approximately \$2.3 million. Given this increase in collections, for fiscal year 2022, the City has budgeted \$19,029,000 in County Sales Tax revenues, \$2,293,000 or 14% more than fiscal year 2021.

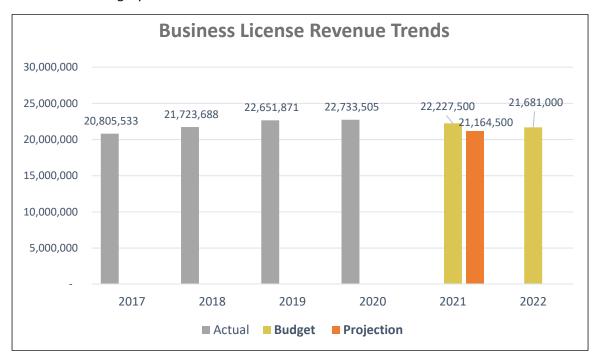

Tuscaloosa City School Portion of County Sales Tax

The City receives the Tuscaloosa City School's portion of the County sales tax (20% of the 3%) as a pass through and remits 100% of this amount to the school board each month. For FY 2022, \$19,639,000 was budgeted as a revenue with an offsetting expenditure of the same amount.

Business License Fees

Business license revenue is the second largest revenue source for the General Fund, comprising approximately 12% of all revenues. Revenues include business, alcoholic beverage, fire and life insurance licenses. Business license fees are based on prior year gross revenues and therefore, the COVID-19 crisis had a significant impact on our fiscal year 2021 collections. Although the City budgeted conservatively for this revenue, we expect to fall short of our fiscal year 2021 budget by approximately \$1 million. However, due to the increase in sales tax collections in fiscal year 2021, we expect an increase in business license collections for this budget year. For fiscal year 2022, we have budgeted \$21,681,000, a decrease of \$546,500 compared to prior year budget, and an increase of \$516,500 compared to prior year projected actuals.

The charts below show historical business license revenue trends as well a year over year comparison of the various revenues included in this category.

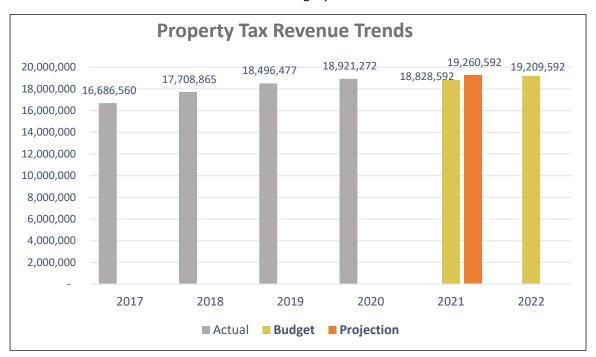

| Business License Fee Source Fee Source | FY 2022 Adopted Budget | FY 2021 Revised Budget | Inc (Dec) Over Prior Year | % Inc (Dec) Over Prior Year |
|-------------------------------------------|---------------------------|---------------------------|------------------------------|--------------------------------|
| Business License Fees | \$20,452,000 | \$20,915,000 | \$(463,000) | (2%) |
| Life Insurance License | 710,000 | 725,000 | (15,000) | (2%) |
| Fire Insurance License | 207,000 | 207,000 | - | - |
| Alcoholic Bev License | 100,000 | 101,500 | (1,500) | (1%) |
| Franchise License | 100,000 | 110,000 | (10,000) | (9%) |
| Penalties | 100,000 | 157,000 | (57,000) | (36%) |
| Filing Fees | 12,000 | 12,000 | - | - |
| TOTAL | \$21,681,000 | \$22,227,500 | (\$546,500) | (24.5%) |

Property Tax

Property or ad valorem taxes are levied under various provisions of the constitution and statutes of Alabama and may be used only for the purpose or purposes for which they are levied. Under present law, the rates at which local ad valorem taxes are levied may be increased only after approval by the legislature and a majority vote of the qualified electors of the affected jurisdiction.

Property tax revenues for the City include real and personal property tax, as well as property taxes received for automobiles.

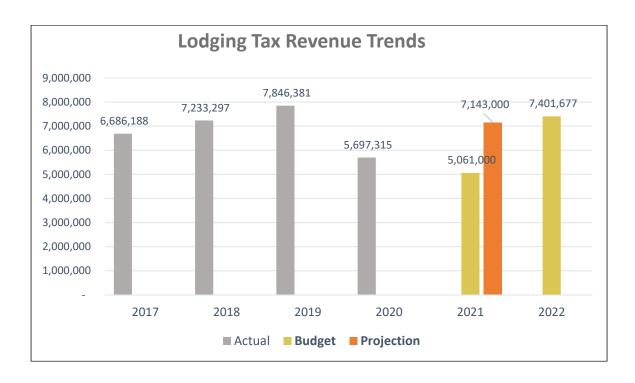

Property tax revenue accounts for nearly 12% of all General Fund revenues and includes real and personal property tax as well as property taxes on automobiles. The growth in the Tuscaloosa residential housing market over recent years has greatly attributed to revenue increases. The charts below show historical property tax revenue trends as well a year over year comparison of the various revenues included in this category.

| Property Tax Source | FY 2022 Budget | FY 2021 Budget | Inc (Dec) Over Prior Year | % Inc (Dec) Over Prior Year |
|------------------------|-------------------|-------------------|------------------------------|--------------------------------|
| Real and Personal | 17,977,000 | 17,660,000 | \$317,000 | 1.8% |
| Property Tax Rebates | (252,408) | (252,408) | | |
| Automobile | 1,485,000 | 1,421,000 | 64,000 | 4.5% |
| Other | | | | |
| TOTAL | \$19,209,592 | \$18,828,592 | \$381,000 | 2.02% |

Lodging Tax

Throughout fiscal year 2020 and 2021, the City's lodging tax collections were negatively impacted by the COVID-19 pandemic. However, in quarter three of fiscal year 2021, revenue collections began to climb, and we are now anticipating a budget surplus of approximately \$2 million. Given these recent increases, the City was able to increase the 2022 lodging tax budget to reflect current collections, along with anticipated growth.

| Lodging Tax | FY 2022 | FY 2021 | Inc (Dec) Over | % Inc (Dec) Over |
|---------------------|-------------|-------------|----------------|------------------|
| Source | Budget | Budget | Prior Year | Prior Year |
| Lodging Tax | \$8,359,500 | \$5,515,000 | \$2,844,500 | 5% |
| Lodging Tax Rebates | (1,128,823) | (566,500) | (562,323) | 99% |
| Short Term Rentals | 171,000 | 112,500 | 58,500 | 52% |
| TOTAL | \$7,401,677 | \$5,061,000 | \$2,340,677 | 46% |

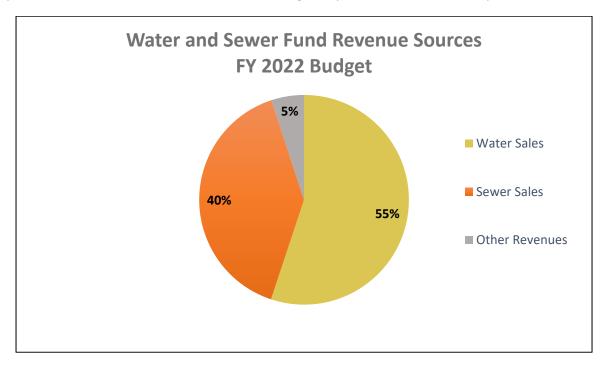

Water and Sewer Fund

Total budgeted revenues for FY 2022 are \$2,680,275 higher than budgeted FY 2021 revenues, representing a 5.2% increase overall. The chart below compares the FY 2022 budget to FY 2021 by major category.

| Revenue Category | FY 2022 Budget | FY 2021 Budget | Inc (Dec) Over Prior Year | % Inc (Dec) Over Prior Year |
|----------------------|-------------------|-------------------|------------------------------|--------------------------------|
| Charges for Services | \$54,281,414 | \$51,333,477 | \$2,947,937 | 5.7% |
| Use of Property | 32,500 | 32,500 | | |
| Other Operating | 204,500 | 467,000 | (262,500) | (56.2%) |
| Transfers In | 41,065 | 41,227 | (162) | (.4%) |
| Cost Reimbursements | 20,000 | 25,000 | (5,000) | (20%) |
| TOTAL | \$54,579,479 | \$51,899,204 | \$217,987 | 5.2% |

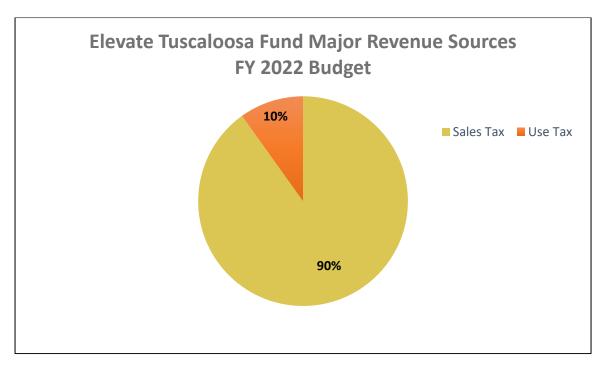

Water and sewer revenues generated through user fees for water and sewer services (charges for services) are the largest source of revenue, comprising nearly 95% of all revenues as shown in the chart below. Water and sewer revenues are primarily affected by annual rate increases imposed by the City Council, as well as residential and commercial growth within the City. Revenues can also be impacted when weather events affect a customer's usage patterns. In periods of a draught, a customer may use more water and during periods of significant rainfall may use less.

In FY 2019 the City Council adopted a three year consecutive rate increase of 2% each year to fund the debt service for the 2019 Clean Water and Drinking Water SRF issuance. The 2019 SRF issuance funds much needed projects to enhance and upgrade our water & sewer infrastructure. FY 2022 marks the final 2% rate increase needed for the debt service. In addition, as part of the FY 2022 budget, an additional 6% rate increase was adopted. In line with this year's COLA, 2.5% will fund operational needs and 3.5% will assist with funding a 10 year Water and Sewer Capital Plan.

Elevate Tuscaloosa Fund

Effective October 1, 2019, the City Council adopted a 1% sales tax increase, known as the Elevate Tuscaloosa Plan. The sales tax increase is expected to generate \$500 million over the next 30 years and will fund various education, workforce development, connectivity, and quality of life enhancements in an effort to raise the standard in Tuscaloosa with a goal of becoming one of the nation's most livable cities. The charts below show a breakdown of the revenue sources for the FY 2022.

| Revenue Source | | FY 2022 Budget |
|------------------------------|-------|----------------|
| City Sales Tax | | \$20,545,500 |
| Sales Tax Rebates | | (335,000) |
| Sales Tax Penalties/Interest | | 64,000 |
| Use Tax | | 2,255,500 |
| Rental Income | | 108,000 |
| Grant revenue | | 15,000,000 |
| Cost Reimbursements | | 21,500 |
| | TOTAL | \$37,659,500 |

This page intentionally left blank.

Bond Ratings

An important factor in assessing the economic health of the City and its finances is the credit rating assigned by bond rating agencies. Fitch Ratings and Moody's Investors Service issued credit ratings of AAA and Aa1 in October 2020 reports citing factors such as "strong financial management through conservative budgeting and active expenditure management". Fitch concluded, "Along with sizable reserves, the city's broad revenue-raising authority and spending flexibility support its superior level of inherent budget flexibility to address future periods of economic distress, including the current downturn." Maintaining these prestigious credit ratings is a high priority of City management and the City Council.

Legal Debt Limit

The Code of Alabama establishes the legal debt limit for Alabama municipalities. The legal debt limit for municipalities is 20% of the assessed value of property within the city limits that is subject to property taxation. For the City of Tuscaloosa, debt attributable to the construction of school houses and water and sewer infrastructure is excluded from the legal debt limit calculation.

Per the City's Comprehensive Annual Financial Report, the legal debt margin as of September 30, 2020 is as follows:

| City of Tuscaloosa Legal Debt Margin as of September 30, 2020 | | | | | |
|---------------------------------------------------------------|---------------|-----------------|--|--|--|
| Assessed valuation of real and personal property as of | | \$1,502,349,040 | | | |
| September 30, 2020 | | | | | |
| | | | | | |
| Debt limit equal to 20% of assessed valuation | | 300,469,808 | | | |
| | | | | | |
| Debt applicable to limit: | | | | | |
| All outstanding debt of the City | \$196,994,043 | | | | |
| | | | | | |
| Less those portions not applicable to the debt limit: | | | | | |
| Debt attributable to construction of school houses | (12,190,000) | | | | |
| Debt attributable to water and sewer infrastructure | (79,852,225) | | | | |
| Total net debt applicable to limit | \$104,951,818 | 104,951,818 | | | |
| | | | | | |
| Legal 20% debt margin (available borrowing capacity) | | \$195,517,990 | | | |

FY 2022 Budgeted Debt Service

The charts below detail the principal and interest payments budgeted for each fund for FY 2022:

| | General Fund | | | | | | |
|----------------------------------------------------------|--------------|-------------|-------------|---------------|----------------------|--|--|
| | | | | Remaining | | | |

Future Debt Service

During the fiscal year 2022 budget process, the Mayor proposed and Council adopted the **Water and Sewer 10 Year Plan**. This plan included anticipated debt issuances at strategic intervals that would have debt service amounts covered by planned rate increases.

Priority projects within **Elevate Tuscaloosa** are fluid and reevaluated by the Elevate Advisory Committee and the Mayor and Council at least annually. Debt issuances for Elevate have changed since initially proposed. Debt issuances and the corresponding debt service as a result of these projects are paid by the 1 cent sales tax enacted during the Elevate Tuscaloosa plan formulation in fiscal year 2019.

The City of Tuscaloosa manages certain projects for the **Tuscaloosa County Road Improvement Commission** (TCRIC). Current projects underway include the Martin Luther King Jr. Blvd/Jack Warner Parkway Improvements and the McWright's Ferry Road Extension. These projects are required under House Bill 600 adopted by the Alabama State Legislature in 2016. That House Bill also reorganized the allocation of the 3 cent county-wide sales tax to include direct revenues to the TCRIC. The City of Tuscaloosa and TCRIC have a funding agreement in which the City will manage and issue debt for the projects' construction with reimbursement of debt service amounts guaranteed by the TCRIC's allocation from the 3 cent tax.

Anticipated debt issuances for these areas include the following:

| Future Fiscal Years | | | | | | |
|------------------------------|--------------|--------------|--------------|--------------|--|--|
| Project Cluster | 2022 | 2023 | 2024 | 2025 | | |
| | | | | | | |

This page intentionally left blank.

Long-term Financial Planning

Tuscaloosa's long-term financial plan is based on sound financial reserves, low debt burden, and conservative revenue growth forecasts. The City anticipates a moderate increase in revenues over the next several years with a continued focus on efficient spending to maintain essential City services to the community.

In an effort to continually plan for the future, the Accounting and Finance Department created its Budgets and Strategic Planning Division during a city-wide restructure in 2016. Since then, the Department has developed forecasting techniques based on economic assumptions in an effort to align future anticipated revenues with anticipated projects.

Fund Balance and Reserve Policy

As authorized by the City Council and contained in the Tuscaloosa City Code chapter 2, the General Fund, the General Fund Reserve, and the Water and Sewer Fund Reserve each have a mandatory unencumbered fund balance that should not be budgeted or otherwise designated for expenditure unless there is an ordinance duly adopted by the City Council declaring that the requested expenditure is required by extraordinary circumstances to preserve and protect the health, safety, and welfare of the citizens of the City or to make debt service payments that the City cannot otherwise finance. The City's reserve policy requires that at least 10 percent of the General Fund revenue budget be kept in unassigned fund balance so the City has adequate working capital and can respond to unexpected financial situations. City policy also states that the minimum unrestricted net position in the Water and Sewer Fund be maintained at 30 percent of operating expenses.

Surpluses from the General Fund are transferred annually to the General Fund Reserve for Future Improvements Fund (General Fund Reserve) for capital needs. An adjusted surplus amount in the Water and Sewer Fund is transferred annually to the Water and Sewer Reserve for Future Improvements Fund (Water and Sewer Fund Reserve). Designations for capital projects are approved each year as a management control device for the General Fund Reserve and the Water and Sewer Fund Reserve. These projects are designated until they are complete and become operational, often spanning a three- to five-year cycle.

Budgetary Procedures

The annual budget serves as the foundation for the City of Tuscaloosa's financial planning and control. The Mayor is required to submit a budget for the General Fund, Water and Sewer Fund and the Elevate Tuscaloosa Fund to the City Council by August 31 of each fiscal year. The Council, after public comment and evaluation, must formally adopt a balanced operating budget, for the upcoming fiscal year, no later than the close of each preceding fiscal year. A balanced budget in which revenues are equal to or greater than expenditures is mandatory for the General Fund and the Elevate Tuscaloosa Fund. The City also has various capital improvement funds for which financial designations are made by the Council; however, no formal budget ordinance is adopted.

Budgetary control is maintained at the department level through encumbrances of estimated purchase amounts prior to the release of purchase orders to vendors. Purchase orders which result in an overrun of balances are not released until additional appropriations are made available. The Chief Financial Officer is authorized to approve budget revisions within a department as long as the total budget does not change. Council action is required for requests where the overall budget for a department increases. Any increase must be funded by additional available resources at the time of the amendment.

Basis of Budgeting

The annual budgets adopted by the City of Tuscaloosa are structured to be consistent with generally accepted accounting principles (GAAP). The General Fund budget is prepared on the modified accrual basis of accounting as prescribed by GAAP. For the Water and Sewer Fund, the budget is prepared using both the full accrual and modified accrual basis. In accordance with GAAP, the full accrual basis of accounting (revenues are recognized when earned) is used for estimating revenues. However, for greater control over expenses, the full accrual basis (expenses recognized when incurred) is modified. In addition to the full accrual basis expenses, capital outlays and any debt service principal payments are included as budgeted expenses. The basis of accounting used for budgeting is the same basis used for accounting and financial reporting for all funds, except for inclusion of debt service principal expenses in the Water and Sewer Fund.

Accounting System

The accounts of the City are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures, or expenses, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped, for accounting and reporting purposes, into three broad categories, Governmental Funds, Proprietary Funds and Fiduciary Funds. For a description of the various funds and account groups used by the City, see the notes to the most recent comprehensive annual financial report of the City located on the City's website.

Basis of Accounting

The basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. The City uses the Governmental Accounting Standards Board's Statement 34 as a reporting model. For a detailed description of the accounting and financial reporting treatment applied to the funds and accounts used by the City, see the notes to the most recent comprehensive annual financial report of the City located on the City's website.

Investment Policy

Municipal funds not presently needed for other purposes may be invested in any obligations in which sinking funds are authorized to be invested pursuant to section 11-81-19, Code of Alabama (1975) and in any of the securities or obligations as set forth in section 11-81-21, Code of Alabama (1975). The primary objective of the City's investment policy as established herein is to outline the criteria for maintaining the security of invested municipal funds. Criteria for managing the City's municipal funds investment portfolio shall be in the following priority:

- 1. The preservation of capital and the protection of investment principal.
- To maintain sufficient liquidity to meet reasonably anticipated operating expenditures and capital outlays.
- 3. To maximize investment returns given the safety and liquidity constraints and subject to prudent investment principles.
- 4. The objective for return on investment of municipal funds should be that equaling or exceeding the average return on three-month U.S. Treasury bills or the average rate on federal funds, whichever is higher.

General Fund Projected Changes in Fund Balance

It is the City's policy to budget conservative revenue growth coupled with full salary expenditures for all vacant positions. Because of this policy, we typically generate a surplus in the General Fund each year through salary savings and revenues exceeding budgeted amounts. Based on historical trends, each year we anticipate a surplus transfer to the General Fund Reserve for Future Improvements Fund of approximately \$3,000,000 to \$5,000,000. However, due to our conservative budgeting in fiscal year 2021, we are forecasting a larger than normal transfer of approximately \$9,000,000.

As authorized by the City Council, the City is required to maintain an unassigned fund balance in the General Fund of 10% of the prior year budgeted operating expenditures. Each year, we have maintained this requirement as shown in the chart below.

| | 2018 | 2019 | 2020 | 2021 | 2022 |

Water and Sewer Fund Projected Changes in Net Position

It is the City's policy to budget conservative revenue growth coupled with full salary expenditures for all vacant positions. Because of this policy, we typically generate a surplus in the Water and Sewer Fund each year through salary savings and revenues exceeding budgeted amounts. Based on historical trends, each year we anticipate a surplus transfer to the Water and Sewer Fund Reserve for Future Improvements Fund of approximately \$3,000,000. However, due various factors such as above normal rainfall, lack of payments due to COVID-19 and insufficient rate increases, the fiscal year 2020 surplus was minimal and we do not expect a fiscal year 2021 surplus transfer.

As authorized by the City Council, the City is required to maintain an unrestricted net position in the water and Sewer Fund of 30% of current year operating expenditures. Each year, we have maintained this requirement as shown in the chart below.

| | 2018 Actual | 2019 Actual | 2020 Actual | 2021 Projected | 2022 Projected |
|-----------------------------------------------------------------------|----------------|----------------|----------------|-------------------|-------------------|
| Beginning Net Position (as restated) | \$225,453,521 | \$236,800,202 | \$245,114,553 | \$249,562,605 | \$251,840,259 |

| Information Technology | Systems Administrator | 1 |
| | TOTA | L 12 |

As part of the FY 2022 budget, 12 positions were added, 1 position was reclassified to an FTE, and 9 were permanently eliminated, a net increase of 4 positions. Refer to the budget message section for additional details regarding the new personnel for FY 2022.

This page intentionally left blank.

The City of Tuscaloosa maintains a policy that a purchase order must be obtained for all expenditures exceeding \$5,000. If the expenditure exceeds this threshold, the City's "Equipment Form" must be filled out by the requesting department. This assists the Purchasing division of the Accounting and Finance Department in issuing the PO, as well as the Capital Asset team in identifying whether the particular request is capital or operational in nature. The City defines capital expenditures as expenditures made to acquire or significantly improve an asset such as equipment or buildings.

Listed below are the capital expenditures included in the FY 2022 budget, as well as the funding sources for those items.

| FY 2022 Revenue Sources for Capital Expenditures | | | | | |
|--------------------------------------------------------|----|-----------|----|------------|--|

With the exception of the following recurring payments, all capital expenditures included in the FY 2022 budget are non-recurring expenditures.

Public Safety Radio System: In FY 2019, the City of Tuscaloosa entered into a seven-year lease purchase agreement with Motorola for the Public Safety Radio Communications System. This system provides the leading edge in emergency and disaster response capabilities. Its ability to provide real-time information sharing among the first responders aligns with the Mayor's core beliefs that all Citizens will be safe in all areas of our City. The FY 2022 payment of \$936,001 will be the third payment of the seven.

Alongside the above-mentioned capital expenditures, \$6,054,317 has been allocated for the 2021 City-wide Resurfacing project funded through the FY 2022 estimated gas tax distribution, Restart Tuscaloosa and savings from previous paving projects within various capital funds.

| FY 2021 City-wide Resurfacing Project - Revenue Sources | | | | | | | | |

The City of Tuscaloosa's adopted FY 2022 General Fund budget provides for the funding of services and programs that ensure Tuscaloosa remains safe and the quality of life continues to prosper, while retaining high quality and dedicated employees.

The General Fund budget is balanced, with revenues projected to be \$174,301,786. Compared to the FY 2021 revised budget, the adopted FY 2022 budget represents an overall budgetary increase of 7.5%.

General Fund Revenue Highlights

Sales and Use Tax - \$92,994,000, net of rebates

- The City's largest revenue source that comprises over 50% of all General Fund revenues.
- Revenue includes city, school, and county sales tax and various use, alcohol, and tobacco related taxes.
- Effective October 1, 2020 City's sales tax increased from 9% to 10%. The City receives 3% of the sales tax directly and 19% of the County's portion. The 1% increase in City sales tax is restricted for Elevate Tuscaloosa, a city-wide initiative which helps fund education, transportation and recreational projects.
- Budgeted City sales tax collections increased by \$2,204,746 compared to fiscal year 2021 revised budget, a 6% increase.
- Budgeted County sales tax collections increased by \$2,108,000 compared to fiscal year 2021 revised budget, a 12.6% increase.
- \$19,639,000 is budgeted as pass through revenue for the Tuscaloosa City Board of Education sales tax.
- In January 2019, SSUT (Simplified Sellers Use Tax) expanded to include third-party sellers which resulted in a substantial increase in collections. \$4,715,000 is budgeted for FY 2022, representing a 41% increase over the FY 2021 revised budget.
- A 3% rate increase has been budgeted in dwelling taxes for student oriented housing developments beginning April 1st. An estimated \$1,116,201 in additional revenues is expected to be collected, which will assist with funding the adopted Police and Fire pay plan.

Business Licenses - \$21,681,000, net of rebates

- License revenue is the second largest revenue source, comprising approximately 12% of all General Fund Revenues.
- Revenue includes business, alcoholic beverage, fire and life insurance licenses.

Property Taxes - \$19,209,592, net of rebates

- Property taxes is the third largest revenue source, comprising approximately 11% of all General Fund revenues.
- Revenue includes real and personal property tax and automobile property tax.
- Based on FY 2021 revenue trends, \$17,977,000 is budgeted for real and personal property taxes, which is \$317,000 higher than the FY 2021 budget. \$760,104 of this budget represents fees charged by the County for collection and assessing commissions and the City's share of the appraisal and mapping budget. Consistent with generally accepted accounting principles (GAAP), revenues are grossed up accordingly by the fees paid to the County.
- \$1,485,000 is budgeted for automobile property taxes, which is in line with the prior year FY 2021 budget.

Environmental Service Fees (garbage, trash and recycling) - \$1,275,500

- A rate decrease was approved by the City Council to help offset the 1% increase in sales tax effective October 1, 2019 for the Elevate Tuscaloosa initiative. As previously presented in the Elevate plan, Elevate will reimburse the General Fund \$5,000,000 to cover the revenue shortfall. The subsidized rate for each customer's first cart was reduced to \$3.25. All additional carts are charged at the unsubsidized rate of \$23.35. The new rates went into effect November 1, 2019.
- Recycling cost reimbursement revenues are budgeted at \$150,000

General Fund Revenue Highlights (continued)

Public Safety Revenue Funding Proposal

- Included in the FY 2022 adopted budget, is a recommendation to generate additional revenues to support the implementation of a new public safety pay plan. Below are the adopted revenue streams:
 - Transfer from Elevate Tuscaloosa for public safety of \$2,629,500
 - Begin charging an event fee on ticketed events where alcohol is distributed. This is expected to generate \$50,000 annually.
 - Increase rental tax beginning April 1, 2022 on student-oriented housing developments to 3%. This is expected to generate \$1,718,477 annually. The amount budgeted for FY 2022 is \$859,239.

General Fund Expenditure Highlights

Departments were tasked with level funding FY 2022 operations using FY 2021 original budget amounts, excluding personnel and city-wide expenditures. Items outside of level funding were submitted as "unfunded requests" to be considered for funding in FY 2022. This included new personnel, new initiatives, technology items, vehicles and equipment and any facility improvements. Various initiatives were funded in the FY 2022 budget and are summarized below.

New Initiatives for FY 2022

Investment in Employees - \$5,485,507

- A 2.5% cost of living adjustment is included for all employees effective October 1, 2021. The General Fund portion of the cost of living adjustment is \$1,946,719
- \$2,422,538 is budgeted for a new public safety pay plan that is expected to go into effect April 1, 2022
 - \$1,116,250 is budgeted as an escrow for the conversion of the Fire and Police Pension plan to RSA
- An additional holiday, Juneteenth, has been added with a total impact of \$145,046 to the General fund

Health Insurance

- The adopted budget includes a \$50,000 transfer from the General Fund to the City's Health Insurance Fund to ensure the fund maintains a positive fund balance
- The adopted FY 2022 budget includes an 3.6% increase to cover health insurance premiums due to increased costs from Blue Cross Blue Shield.

General Fund Expenditure Highlights (continued)

Capital Equipment Investments

- The adopted FY 2022 budget includes a transfer to the Public Safety Capital fund in the amount of \$936,001 for the third payment of the Public Safety Radio Lease
- \$300,000 is budgeted annually as a transfer to the Facility Renewal fund for city facility repairs and improvements
- \$70,000 is budgeted as a transfer to the Public Safety Capital fund to purchase extricatation equipment and dive gear for the Fire department
- \$82,000 is budgeted as a transfer to the Public Works Capital fund to purchase various pieces of Infrastructure and Public Services equipment
- \$151,000 is budgeted within the Information and Technology department for a network access control panel and a SIEM platform
- \$80,000 is budgeted within the Police department to purchase a new K9 officer along with weapons and gear
- \$104,000 is budgeted from the Ambulance Franchise Fee Restricted Funds for two vehicles for the Fire department

Agencies

2022 calender year adopted agency funding agreements totaled \$12,195,253, a budget impact of \$11,865,745.

Contingency

The adopted FY 2022 budget provides a contingency balance of \$641,342.

Debt Service and other commitments

- The FY 2022 debt service budget increased by \$1,892,157 compared to the FY 2021 budget. This increase can be attributed to the General Fund portion of the 2020-A warrant, which was issued to fund the MLK/JWP capital project, as well as various projects within the Elevate Tuscaloosa Fund. The MLK/JWP project is 100% reimbursable by TCRIC. The total budgeted reimbursement from TCRIC is \$1,900,914. Overall, debt service represents about 5.5% of the total FY 2022 budget.
- \$117,300 is budgeted as a cost sharing agreement with EMA for the 5th and final payment for City's share of the new EMA facility.
- \$675,000 is budgeted for incentive obligations between the Mercedes-Benz plant, the City of Tuscaloosa, the City of Northport and Tuscaloosa County.
- \$1,616,223 in transfers from other funds is budgeted as a revenue to offset debt service obligations of other City funds.
- \$936,001 is budgeted for the Public Safety Radio Lease payment for FY 2022. This is the third of seven payments for the lease.

Police Jurisdiction Calculation

Each fiscal year during the budget process, the Chief Financial Officer or his designee will calculate the approximate costs of police jurisdiction services based on prior year's operational costs. The total amount of licenses collected in the police jurisdiction shall not be an amount greater than the costs of services provided to the police jurisdiction. Below is the annual calculation required. The license revenues received in the police jurisdiction (\$2,663,864) did not exceed the costs expended (\$6,520,262).

| Police Jurisdiction Calculation September 30, 2021 Projection | | | | | | | | | | |
|---------------------------------------------------------------|--------------------------------------------------------|-------------|------------|--------------------|----|--------------|--|--|--|--|
| Department | Allocation to Police Jurisdiction Cost Reimbursements | | | | | Net Costs | | | | |
| Fire | \$ | 4,416,790 | \$ | - | \$ | 4,416,790 | | | | |
| Fire - Paramedics | · | 131,948 | | 54,859 | • | 77,089 | | | | |
| Police | | 1,886,284 | | - | | 1,886,284 | | | | |
| Urban Development | | 344,776 | | 204,677 | | 140,099 | | | | |
| Total Allocation to Provide Services | \$ | 6,779,797 | \$ | 259,536 | \$ | 6,520,262 | | | | |

The Accounting & Finance Department provides a service-oriented, team approach to effectively manage the City's financial health, and provide stewardship of resources while maintaining the City's financial integrity. The Accounting and Finance Department is made up of the following divisions:

- Accounting and Financial Reporting
- Budgets and Strategic Planning
- Purchasing
- Revenue and Financial Services

Accounting & Finance Budget Highlights

- Compared to the FY 2021 original budget, overall salaries and benefits increased by \$356,672 due to personnel increases associated with the 2.5% COLA and lifting of the hiring freeze.
 - Excluding salaries and benefits, the total departmental budget is level funded, with the following exceptions:
 - \$50,500 increase for property insurance associated with increased premiums which covers the entire City.
 - \$215,500 increase in outside services due to the relocation of the Gray Matter contract.
 - \$124,000 increase for liablity insurance associated with increased premiums which covers the entire City.
 - \$5,500 overall decrease in various miscellaneous expenses.

Accounting & Finance Goals

| | T1 D-1- | Core Belief | | | | | | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|-------------|----|----|----|--|--|--|
| Short-Term Goals: | Target Date | #1 | #2 | #3 | #4 | | | |
| Implementation of Munis' online business license processing which includes new license as well as submission and payment for license renewals. As previously discussed, the Munis data would be accessible for integration with City View and/or other applications for citizen visibility and individual account tracking. | 9/30/2021 | | | | Х | | | |
| Continue implementation of Positive Pay and ACH fraud filter. These fraud protection measures are intended to provide additional security for safeguarding the City's fiscal assets. Both Positive Pay and ACH Fraud Filter have been implemented on all accounts at Regions Bank and Wells Fargo and have already successfully deterred an attempt to defraud the City. We will continue to work with the other financial institutions who hold City funds to put in place similar measures to ensure that we have protection on City accounts. A&F will implement and maintain an inventory of measures implemented by bank account. | 12/31/2021 | | | | X | | | |
| In FY 2020, A&F began utilizing the Munis General Billing module. This module generates invoices and records the receivable and revenue in real time. In the past, departments sent manually created invoices which were not properly recorded in Munis. This led to audit findings or management comments by the external auditors. A&F has begun the roll-out and training with specific departments. We intend to have at least one representative in every department that is responsible for ensuring that all billing is initiated through Munis' General Billing module. | 12/31/2021 | | | | X | | | |

Accounting & Finance Goals (continued)

| | Townst Date | Core Belief | | | | | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|-------------|----|----|----|--|--|--|
| Short-Term Goals (continued): | Target Date | #1 | #2 | #3 | #4 | | | |
| Continue to gain efficiencies and preferred alignment of positions by grade and reporting structure through attrition. Specifically, changes are needed in Revenue, Grants and Budgets and Strategic Planning. Details of proposed changes are available upon request and will be provided in summary to Human Resources by 6/1/2021. | 12/31/2021 | | | | X | | | |
| Work with Human Resources to propose a promotional plan within A&F to mirror the typical advancement paths in public accounting. This would not require a change in pay structure or pay grades, merely a revision to process. | 9/30/2022 | | | | X | | | |
| Successfully implement an automated paperless accounts payable software to provide efficiency and accountability for all City departments that handle invoices. This implementation will help streamline the payment process and reduce staff time involved in the current process. A&F eliminated a position to cover the cost of this implementation in the FY 2019 budget and has been actively working to implement this software. In order to fully implement a permanent paperless accounts payable process, the City needs to purchase Tyler's Content Manager. The funds are budgeted, but the purchase is on hold pending successful integration of Munis with our AMI efforts. Our Accounts Payable team has implemented an interim paperless system by utilizing workflows in Smartsheet. | 9/30/2022 | | | | X | | | |

Accounting & Finance Goals (continued)

| | Tayant Data | Core Belief | | | | | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|-------------|----|----|----|--|--|
| Short-Term Goals (continued): | Target Date | #1 | #2 | #3 | #4 | | |
| Continue our review and update of the City of Tuscaloosa Municipal Code as it pertains to Revenue. In recent years, we have discovered that there is outdated or confusing language in our Code that needs to be revised. Several changes have already been made following the presentation to and approval of Council. | 9/30/2022 | | | | X | | |
| Convert all employees to direct deposit and improve accessibility and dashboard view of pay details for employees and retirees. Develop and roll out an internal dashboard for use by employees and an external dashboard for external users to obtain accurate and up to date salary and benefit information. Note: Approximately 35 manual payroll checks still processed. | 9/30/2022 | | | | X | | |
| Implement Tyler Notify for Revenue and Payroll. Continue to assess other uses for this platform within A&F. | 12/31/2022 | | | | Х | | |
| Continue work with Communications to ensure that the City's website contains the most current and accurate information and that is accessible by being easy to find, i.e. business license applications and tax forms. | 12/31/2022 | | | | Х | | |

Accounting & Finance Goals (continued)

| | Target Date | Core Belief | | | | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|-------------|----|----|----|--|--|
| Long-Term Goals: | Target Date | #1 | #2 | #3 | #4 | | |
| Take an inventory of departmental processes and procedures that currently exist in some form, develop and document formal standard operating procedures that are indexed and pushed out to all Accounting & Finance team members. Our SOPs would be updated as changes occur or revisions are needed with the most current version provided to our external auditors annually. | 9/30/2023 | | | | X | | |
| Enhance current city-wide purchasing and p-card policies to strengthen controls while addressing prior year audit findings and management comments from Mauldin & Jenkins. | 12/31/2023 | | | | х | | |
| Develop and implement system to track unfiled and delinquent bills by average time in the "delinquent" status. Continue work to shorten time a business is categorized as delinquent. Utilization of Tyler Notify for Revenue will greatly improve frequency of communication while reducing staff time and cost of mailing paper notices. | 12/31/2023 | | | | X | | |
| Establish multi-year budgets to improve financial management, establish long-term and strategic financial plans and identify imbalances between revenues and expenditure trends. | 12/31/2024 | | Х | Х | Х | | |
| Continue improving the City's award winning budget document to provide more analytical information where appropriate with the ultimate goal of incorporating all funds of the City. | 12/31/2024 | | X | | Х | | |

The Tuscaloosa City Council is the City's legislative body. The City of Tuscaloosa divides into seven Council districts. Collectively, the seven Councilmembers represent an estimated 100,000 residents covering over 70 square miles. As legislators, the Council considers particular items of business through issue-specific committees and recommends action to the full Council.

The Office of Community and Neighborhood Services is an independent department that reports to the Office of the Mayor. The office is dedicated to improving the quality of life in City of Tuscaloosa communities and neighborhoods. The primary functions of the office are: affordable housing, housing counseling, youth services, seniors services, family services, homeless services, and lead abatement. To that end, the office acts as a liaison to the U.S. Department of Housing and Urban Development (HUD) and the Alabama Department of Economic and Community Affairs (ADECA), through the administration and implementation of the City of Tuscaloosa's Community Planning and Development grants. These grants include the Community Development Block Grant, HOME Investment Partnerships Program, Emergency Solutions Grant, Homeless Management Information System, and the LEAD Abatement Grant Program. Additionally, the Office of Community and Neighborhood Services works with community agencies and partners to expand and refine programs and projects offered to the Tuscaloosa community at large.

Tuscaloosa Fire Rescue continues to strive towards our Standard of Excellence each day by focusing on our Core Beliefs. Our mission of "Making Tuscaloosa a safer community through the highest quality of emergency response, risk reduction and fiscal responsibility" continues to allow us to provide the highest quality of service to our customers. As we transition to a post COVID environment, we will continue to work with Accounting and Finance to develop a responsible and conservative budget request. We appreciate the opportunity to highlight our identified projects for further consideration and to discuss the impact the funded and unfunded projects will have on TFR and the community.

Fire Rescue Budget Highlights

- Compared to the FY 2021 original budget, overall salaries and benefits increased by \$1,829,903 due to personnel increases associated with the 2.5% COLA, lifting of the hiring freeze, conversion of the EMS Prevention Case Manager to full time, implementation of the new public safety pay plan.
- Excluding salaries and benefits, the total departmental budget is level funded, with the following exceptions:
 - \$29,720 increase for utilities due to increases in prior year
 - \$400,500 increase for overtime associated with the new public safety pay plan
 - \$89,102 increase in holiday pay for costs associated with the addition of the Juneteenth holiday
 - \$165,978 increase for annual firefighter physicals
 - \$104,000 in equipment costs
- The City of Tuscaloosa received CARES Act funding for various expenses incurred in FY 2020 and FY 2021. Therefore, a majority of the budgeted decrease within the Other Operating category can be attributed to the increased COVID-19 funding and expenses in FY 2021.

Fire Rescue Goals

| | Toward Date | Core Belief | | | | | | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|-------------|----|----|----|--|--|--|
| Short-Term Goals: | Target Date | #1 | #2 | #3 | #4 | | | |
| Special Operations: Creation of the division led by a Battalion Chief, to manage and coordinate all of TFR's Technical Response Teams. | 10/1/2021 | X | X | | Х | | | |
| Logistics Division: Creation of an Accountant position for budget coordination and grant management | 10/1/2021 | Х | Х | X | Х | | | |
| Fire Station Construction and/or Renovations: Receive approval to move into the architectural design phase: a: Station 5 / Fleet Services and HQ - 3200 Greensboro Avenue b: Station 6 - 3601 Loop Road | 12/1/2021 | X | X | X | Х | | | |
| Finalize the new hiring process in conjunction with Local 403, HR, the Mayor, and Council | 10/1/2021 | Х | Х | Х | Х | | | |
| Firefighter Health and Safety: Implement Annual Firefighter Physicals program | 10/1/2021 | Х | X | | X | | | |
| Continue to expand the TFR Communications Division: Increase staffing by four Telecommunicator dispatchers to assist in covering AVAIL, SAIL, Training, and etcetera. | 1/1/2022 | Х | | | х | | | |
| Logistics Division: Continue to implement our 10 Year Apparatus, Ambulance, Support Staff, and Specialty Vehicle Replacement Plan utilizing FY22 (1 million) Restart Tuscaloosa Funds to purchase vehicles identified by TFR Fleet Services Officer | 10/1/2021 | X | X | | Х | | | |
| Training Division: Creation of an EMS Training Officer position to allow for a more effective and efficient way to manage EMS training, licensure, testing, and coordination with EMS QA/QI to respond to the needs of our EMTs | 10/1/2021 | X | | | Х | | | |

Fire Rescue Goals (continued)

| | Tayaat Data | Core Belief | | | | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|-------------|----|----|----|--|--|
| Short-Term Goals (continued): | Target Date | #1 | #2 | #3 | #4 | | |
| ISO Evaluation: Continue working towards improving our ISO rating, enhancing the safety of our citizens and personnel | | | | | | | |
| a: Work with the water service to address flow testing, hydrant inspections, and NFPA color coding | 1/1/2022 | х | х | | х | | |
| b: Request and schedule new inspection | | | | | | | |
| c: Study feasibility of Automatic Aid Agreements to address areas of additional needs | | | | | | | |
| EMS Prevention: Extend the temporary part-time Case Manager position for an additional year. Community needs for the services provided by EMS Prevention remain high, and exceed what the EMS Prevention Coordinator could provide by herself. The Case Manager position expands the reach of the program, allowing more in-person visits each month as well as greater availability to provide assistance by telephone. | 10/1/2021 | Х | Х | х | X | | |

The Human Resources team is a strategic, collaborative partner with all City departments. We help reduce liability by ensuring compliance with all federal and state laws and City policies and procedures. We strive to be Tuscaloosa's employer of choice by recruiting, developing and retaining a diverse workforce while maintaining a competitive benefits and compensation package. We support a productive, safe work environment through customer service, teamwork, coaching, assisting with conflict resolution and promoting the City's culture.

Human Resources Budget Highlights

- Compared to the FY 2021 original budget, overall salaries and benefits increased by \$166,038 due to personnel increases associated with the 2.5% COLA, lifting of the hiring freeze, the move of the Safety Director position from IPS, and an increase in car allowances.
- Excluding salaries and benefits, the total departmental budget is level funded, with the following exceptions:
 - •\$2,000 increase in staff development for senior leadership training
 - •\$10,000 increase for benefits fair
 - •\$5,900 overall increase in various operating expenses

Human Resources Goals

| | Toward Date | Core Belief | | | | | |
|---------------------------------------------------------------------------------------------------------------------|-------------|-------------|----|----|----|--|--|
| Short-Term Goals: | Target Date | #1 | #2 | #3 | #4 | | |
| Develop and execute an improved recruiting strategy to attract and hire top-tier talent that share our core beliefs | 2/1/2022 | X | Х | | Х | | |
| Develop and implement a formal employee recognition program | 11/30/2021 | X | | | Х | | |
| Utilize technology to streamline processes resulting in improved efficiency and effectiveness | 9/30/2022 | Х | | | Х | | |
| Realign roles and responsibilities to maximize productivity and increase organizational effectiveness | 10/1/2021 | Х | | | Х | | |

Human Resources Goals (continued)

| | Target Date | Core Belief | | | | | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|-------------|----|----|----|--|--|
| Long-Term Goals: | | #1 | #2 | #3 | #4 | | |
| Develop and execute a City of Tuscaloosa Workforce Development Initiative that results in increased employee engagement through improved onboarding, employee learning, and specialized training that increases promotional opportunities | Ongoing | X | | | Х | | |
| Conduct an employee engagement survey, report findings, and recommend action items | 10/1/2024 | X | | | Х | | |

The Information Technology Department provides centralized technology services to the City of Tuscaloosa, with these services playing a critical and strategic role in the delivery of government to our citizens.

Technology services certainly include the functions above; however, these also include public safety radio and communications, cellular data services, mobile data services (allowing field staff to work from their vehicles) technology procurement and cybersecurity; which in today's world is of ever-increasing importance to ensure the function of government continues in an uninterrupted fashion.

We hold our responsibilities in the highest regard and work diligently to ensure Tuscaloosa meets our Standard of Excellence to be the most innovative and efficiently managed city in the United States.

Information Technology Budget Highlights

- Compared to the FY 2021 original budget, overall salaries and benefits decreased by \$111,472 due to combination of the 2.5% COLA, the elimination of a position in the department, the creation of an additional System Administrator position, and the transfer of a position to TPD.
- Excluding salaries and benefits, the total departmental budget is level funded, with the following exceptions:
 - Reduction of \$160,264 due to final year of the Motorola dispatch console lease being paid in FY 2021
 - Increase in maintenance contracts of \$209,401 related to annual maintenance for software programs/technology platforms for the City as a whole
 - Increase of \$151,000 in equipment for server purchases
 - Decrease of \$100,000 in technology lifecycle funding
 - Increase of \$1,000 for miscellaneous expenses for the communications division
- Within the 8 months of the current fiscal year, Information Technology has been able to complete 6 projects which span cybersecurity, disaster recovery & continuance of government along with a new Public Safety Radio System which replaces a 30+ year old system with a state-of-the-art, P25 compliant System. We look forward to continued successes and increasing numbers of such projects when we are able to return to pre-Covid budget levels.

Information Technology Goals

| | Target Date | | Core | Belief | |
|------------------------------------------------------------------------|-------------|----|------|--------|----|
| Short-Term Goals: | raiget Date | #1 | #2 | #3 | #4 |

Infrastructure and Public Services (IPS), comprising of Administration, Engineering, Infrastructure, Logistics and Asset Management, and Public Services, accounts for nearly one third of City employees. IPS manages approximately \$36M in General Fund dollars, \$23M in Water & Sewer dollars, \$186M in Capital Project dollars, and \$154M in Grant Project dollars. The department operates on the core principle of delivering the highest caliber of performance and integrity while providing the citizens of Tuscaloosa with exceptional customer service both at City Hall and in the community. Infrastructure and Public Services manages and facilitates all infrastructure, capital projects, public facilities, and public services for the City of Tuscaloosa. The department achieves this by working together, always being prepared for all scenarios, using asset management principles to drive decisions, and consistently providing excellent customer service. For a more detailed review of Infrastructure and Public Services, please reference the 2020 Annual Report that can be found on the City's website.

Infrastructure & Public Services Budget Highlights

- Compared to the FY 2021 original budget, overall salaries and benefits increased by \$1,042,968 due to personnel increases associated with the 2.5% COLA, lifting of the hiring freeze, and the addition of, as well as elimination of various vacant positions.
- Excluding salaries and benefits, the total departmental budget is level funded, with the following exceptions:
 - Increase of \$474 related to the addition of the Juneteenth holiday
 - Increase of \$20,000 for arts and entertainment events
 - Increase of \$114,000 for tip fees
 - Increase of \$26,238 for the increase of the Metro Animal Shelter contract
 - Increase of \$3,300 related to the COLA increase for the Transportation Museum contract
 - Increase of \$20,000 related to the renewal of the Jim Lawson contract
 - Increase of \$100,000 related to costs associated with the tree trimming contract, which is offset by the elimination of vacant positions
 - Increase of \$55,000 in costs associated with the Druid City Arts Festival
 - Increase of \$21,120 related to increased amounts for uniform allotments

Infrastructure & Public Services Budget Highlights (continued)

- Increase of \$30,270 related to the Appetize maintenance contract for the amphitheatre
- The City of Tuscaloosa received CARES Act funding for various expenses incurred in FY 2020 and FY 2021. Therefore, a majority of the budgeted decrease within the Other Operating category can be attributed to the increased COVID-19 funding and expenses in FY 2021.
- The Tuscaloosa River Market has partnered with the Community Food Bank of Central Alabama to implement a double-up food bucks program. This allows SNAP customers to get double the amount of fresh, local produce for the money.

Infrastructure & Public Services Goals

| | Target Date | Core Belief | | | | | | |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|-------------|----|----|----|--|--|--|
| Short-Term Goals: | rarget Date | #1 | #2 | #3 | #4 | | | |
| PACT: A continued initiative to achieve the Mayor's standard of excellence through equipping the department in the areas of Planning and Preparedness, Asset Management, Customer Service, and Training. Overall this is IPS's strategy to successfully support the Mayor's core beliefs and standard of excellence. | Ongoing | | X | | Х | | | |
| Capital Improvements: Complete capital projects that focus on significant improvements to the City of Tuscaloosa's infrastructure as outlined in IPS's four-year plan. | Ongoing | X | х | Х | х | | | |
| Develop and Implement Key Performance Metrics for 311: Standardize terminology, talking points, and processes used to answer each call to establish consistency across call takers and ensure that each citizen gets the same level of customer service. | 12/31/2022 | | | | Х | | | |
| Identify Grant Opportunities: Engage with Gray Matter consulting to continue identifying grant opportunities for all City departments while acting as a conduit to gather all needed information for submission. Collaborate with Accounting and Finance and other City departments as needed to ensure all grant programmatic and financial compliance is met. | Ongoing | | X | X | X | | | |
| Improve Arts & Entertainment: To increase tourism and generate additional revenue, IPS is working to cultivate Tuscaloosa and its art and entertainment scene as a premier location through unique experiences. | Ongoing | X | X | X | | | | |

Infrastructure & Public Services Goals (continued)

| | | Core Belief | | | | | | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|-------------|----|----|----|--|--|--|--|
| Short-Term Goals: (continued) | Target Date | #1 | #2 | #3 | #4 | | | | |
| Expand Tucaloosa Builds: Coordinate with the City of Northport and other areas of West Alabama to adopt and utilize the Tuscaloosa Builds program to promote the growth of small and disadvantaged businesses. Partner with entities such as The University of Alabama, The Chamber of Commerce of West Alabama, and Shelton State Community College to provide free training resources to disadvantaged businesses, create new programs such as a re-entry program for previously incarcerated individuals, and lobby for increased inclusion of disadvantaged contractors on public works contracts. | Ongoing | | X | X | X | | | | |
| Continue Implementation and Update Airport Master Plan: Utilize the master plan to leverage federal and state grant opportunities. | Ongoing | X | Х | X | Х | | | | |
| Elevate Tuscaloosa: IPS will work with other City departments and outside organizations to assist in the implementation of the Elevate Projects. | Ongoing | | Х | Х | х | | | | |
| Annual Report: To increase transparency within Infrastructure and Public Services, the department will release an Annual Report to give citizens a deeper look into operations and how IPS employees contribute to the community. This is used internally to create benchmarks to improve workflow and budgetary efficiencies. | Ongoing | | X | | Х | | | | |
| Policies and Procedures: Ongoing development to streamline and create efficiencies in the operations of the department. | Ongoing | | | | х | | | | |
| Asset Management: Integrate asset management into the daily operations of all divisions. | Ongoing | | Х | Х | Х | | | | |
| Transportation Standards: These standards are needed in order to be consistent with requirements for design, whether a private development or a capital project. These will be used for support and documentation when the Engineering division needs to enforce certain design standards and regulations. | Ongoing | | Х | | х | | | | |

Infrastructure & Public Services Goals (continued)

| | Toward Date | | Core | Belief | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|----|------|--------|----|
| Long-Term Goals: | Target Date | #1 | #2 | #3 | #4 |
| PACT: A continued initiative to achieve the Mayor's standard of excellence through equipping the department in the areas of Planning and Preparedness, Asset Management, Customer Service, and Training. Overall this is IPS's strategy to successfully support the Mayor's core beliefs and standard of excellence. | Ongoing | | X | | Х |
| Capital Improvements: Complete capital projects that focus on significant improvements to the City of Tuscaloosa's infrastructure as outlined in IPS's four-year plan. | Ongoing | Х | Х | Х | х |
| Expand 311 Call Center Service Hours and Capabilities: Expand 311 Call Center service to the weekends and coordinate with departments to dispatch non-public safety call-outs. Create and implement a seven-day-a-week 311 Call Center with dispatching capabilities. | 5/31/2025 | X | X | X | X |
| Identify Grant Opportunities: Engage with Gray Matter consulting to continue identifying grant opportunities for all City departments while acting as a conduit to gather all needed information for submission. Collaborate with Accounting and Finance and other City departments as needed to ensure all grant programmatic and financial compliance is met. | Ongoing | | X | X | X |
| Improve Arts & Entertainment: To increase tourism and generate additional revenue, IPS is working to cultivate Tuscaloosa and its art and entertainment scene as a premier location through unique experiences. | Ongoing | х | х | х | |
| Asset Management: A comprehensive assessment of City infrastructure, facilities, process assets, and much more in order to be fully equipped with the knowledge to forecast for improvements and replacement, cost effectiveness and efficiencies, and in some cases a quicker response time. Will be used as a tool to implement new planning/procedures for everyday operations and capital purchases. | Ongoing | | X | X | X |

Infrastructure & Public Services Goals (continued)

| | | | Core | Belief | |

Office of the Mayor Budget Highlights

- Compared to the FY 2021 original budget, overall salaries and benefits increased by \$241,154 due to personnel increases associated with the 2.5% COLA and lifting of the hiring freeze.
- Excluding salaries and benefits, the total departmental budget is level funded, with the following exceptions:
 - \$20,000 increase to travel to re-establish budget to a pre-COVID level.
 - \$100,000 for public safety initiatives
 - \$100,000 decrease due to the move of the Gray Matter contract to Accounting and Finance.
 - \$27,000 increase in for senior leadership training
 - \$25,000 increase in books, dues, and subscriptions
 - \$3,975 overall increase in various operating expenses

The mission of Tuscaloosa Municipal Court is to provide excellent customer service in a professional and positive manner to all citizens. Municipal Court is the Judicial Branch of Government, the mechanism that upholds the rule of law. Our role, and responsibility is to process all offenses/violations that occur within the municipality. Our department's operating hours are 7:00am to 5:00pm, 5 days a week. However, we are available to provide support services to law enforcement 7 days a week. We are here to effectively, and efficiently meet the needs of our citizens.

Urban Development is an office of 54 customer service-oriented employees in five divisions – Administration and Economic Development; Planning; Building and Inspections; Water and Sewer Customer Service; and Special Projects. Urban Development embodies three of Mayor Maddox's four core values and works to make Tuscaloosa the most accountable, innovative, and effectively managed city in the United States. Through repeated interactions with our citizens, we have myriad opportunities each year to provide an elite customer service experience.

Office of Urban Development Budget Highlights

- Compared to the FY 2021 original budget, overall salaries and benefits increased by \$351,630 due to personnel increases associated with the 2.5% COLA and lifting of the hiring freeze.
 - Excluding salaries and benefits, the total departmental budget is level funded, with the following exceptions:
 - \$5,500 increase in training/education to renew certificates that are coming due during FY 2022.
 - \$16,800 overall increase in various operating expenses

Tuscaloosa Police Department is the City's main law enforcement operation focusing on providing a safer community for all citizens and visitors.

TPD's strategic focus on crime prevention for 2022 and the coming years will emphasize on six key areas:

- Development of a cyber-intelligence unit and a forensics unit
- Crime suppression and prevention
- Expanded community engagement and outreach
- Recruitment, retention, and training
- Officer safety, health, and wellness
 - Continued transparency and accountability

Police Department Budget Highlights

- Compared to the FY 2021 original budget, overall salaries and benefits increased by \$2,241,342 due to personnel increases associated with the 2.5% COLA, lifting of the hiring freeze, implementation of the new public safety pay plan, reclassification of three positions to Telecommunicator, and the transfer of a position from IT.
- Excluding salaries and benefits, the total departmental budget is level funded, with the following exceptions:
 - •\$55,000 increase in repairs and supplies for equipment purchases
 - •\$25,000 increase in equipment for the replacement of a K9 officer
 - •\$55,470 increase in holiday pay associated with the addition of the Juneteenth holiday
- The City of Tuscaloosa received CARES Act funding for various expenses incurred in FY 2020 and FY 2021. Therefore, a majority of the budgeted decrease within the Other Operating category can be attributed to the increased COVID-19 funding and expenses in FY 2021.

|----------|--------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|----|------|-------|----|
| Priority | Request | Reason | Cost | #1 | #2 | #3 | #4 |
| 1 | Restore Off Duty Training | Based on the positive outcomes and feedback from the internal and external partners this increase would allow for TFR to continue the use of the off-duty training and regain the funds lost due to COVID-19 budget cuts in the FY21 budget. | \$ 375,000 | х | Х | | х |
| 2 | Increase Uniform Budget Due to Increase in Employees | Added 13 employees in communications and potential for spec ops chief, and accountant. | 10,000 | Х | | Х | Х |
| 3 | Increase Travel/Training Budget Due to Increase in Employees | Added 13 employees in communications and potential for spec ops chief, and accountant. | 6,000 | Х | | Х | Х |
| 4 | Increase in Books / Dues / Subscriptions | We reduced this line by \$5,000 when we cut training classes due to budget reductions. This year we must reinstate this training to maintain personnel levels. | 5,000 | Х | | х | х |
| 5 | Increase in Outside Services | For outside testing of Haz-Mat level A suits. | 1,500 | Х | | Х | Х |
| 6 | Retrofit Existing Vehicle for Drone | To improve response capabilities, current vehicle is not a permanent solution. | 1,500 | Х | Х | Х | Х |
| 7 | (6) Hazmat Class A Suits | The current Hazmat Class A suits have been in service for the last 10-15 years. We need to start phasing out the old suits and replacing them with new suits. \$1500 per suit. | 9,000 | Х | | Х | х |
| 8 | Physical Fitness Equipment | Replace aging and damaged equipment throughout the stations. | 25,000 | Х | | Х | Х |
| 9 | EMS Training Equipment | Equipment to provide realistic training for EMT's and Paramedics. (CARES Funding) | 25,000 | Х | | Х | Х |
| 10 | (20) CPR Mannequins | Replace aging equipment. Mannequins to teach CPR to department personnel and other City employees. (CARES Funding) | 5,000 | Х | | Х | х |
| 11 | (4) Portable Scene Lights | Night scene processing. Each inspector had 2 scene lights before we added Stephenson and Stripling. | 3,060 | Х | | Х | х |

| 1 | IT Office Space (2nd Floor of City Hall Annex) | Replace flooring on the 2nd Floor of City Hall Annex | Multiple cleanings have not approved the look and condition of carpet. Requesting laminate/vinyl plank so that flooring can be cleaned effectively. | \$ 38,000 |
| 2 | IT Office Space (Basement of City Hall Annex) | Replacing a 20+ year old air conditioner which was designed for an equipment space and providing hot water to the restroom in this space. | Improvements to this space to accommodate its current function and the five IT staff who currently utilize the space. AC unit is over 20 years of age and is designed for an equipment space, not an office space. Decibel readings show at or above 80 decibels at all points within the space and a 1 minute decibel average is between 84-86 decibels; right at where OSHA recommends hearing protection. There is a mold concern from the AC unit due to results of a self-test that we recently completed. | 13,500 |

WATER & SEWER FUND SUMMARY

The City of Tuscaloosa's adopted FY 2022 Water and Sewer Fund budget provides the funding to provide water and sewer services to approximately 48,000 residential, commercial, and industrial customers in the City limits and surrounding areas.

The Water and Sewer Fund budget includes revenues of \$54,579,479 and expenses of \$58,667,933. The Water and Sewer Fund expense budget includes \$10,490,000 in debt service principal that will be treated in the annual audit as a liability reduction rather than an expense. Compared to the FY 2021 budget, the adopted FY 2022 budget represents an overall budgetary increase of 5.2% for revenues and an increase of 2.5% for expenses.

| Water & Sewer Fund Revenues FY 2022 Budget Summary | | | | | | | | | |
|----------------------------------------------------|----|----------------|----|----------------|----|----------------|----|-----------------------|----------------------|

Water and Sewer Fund Revenue Highlights

Water Sales - \$30,078,717

- Comprises 55% of all Water and Sewer Fund revenues.
- In FY 2019 the City Council adopted a three year consecutive rate increase of 2% each year to fund the debt service for the 2019 Clean Water and Drinking Water SRF issuance. FY 2022 marks the final 2% rate increase needed for the debt service. The 2019 SRF issuance will fund much needed projects to enhance and upgrade our water & sewer infrastructure.
- As a part of the FY2022 budget, an additional 6% rate increase was adopted. In line with this year's COLA, 2.5% will fund operational needs and 3.5% will assist with funding the 10 year Water and Sewer Capital Plan.

Sewer Sales - \$21,755,197

- Comprises nearly 40% of all Water and Sewer Fund revenues
- In FY 2019 the City Council adopted a three year consecutive rate increase of 2% each year to fund the debt service for the 2019 Clean Water and Drinking Water SRF issuance. FY 2022 marks the final 2% rate increase needed for the debt service. The 2019 SRF issuance will fund much needed projects to enhance and upgrade our water & sewer infrastructure.
- As a part of the FY2022 budget, an additional 6% rate increase was adopted. In line with this year's COLA, 2.5% will fund operational needs and 3.5% will assist with funding the 10 year Water and Sewer Capital Plan.

Collection Fees - \$800,000

- The FY 2022 budget is level funded from FY 2021
- Collection fees consist of account activation fees, turn-on/off fees, and other various fees related to water and sewer customer accounts. A majority of these fees were waved during the FY 2021 budget as a means to provide relief to our citizens.

| Water & Sewer Fund Expenditures FY 2022 Budget Summary | | | | | | | | | |
|--------------------------------------------------------|----|----------------|----|----------------|----|----------------|----|----------------------|----------------------|

| Office of Urban Development | | 1,181,439 | | 1,094,003 | | 1,221,669 | | 127,666 | 11.67% |
| Other Operating | | 29,444,051 | | 29,642,439 | | 30,351,636 | | 709,197 | 2.39% |
| Total | \$ | 56,987,382 | \$ | 57,249,570 | \$ | 58,667,933 | \$ | 1,418,363 | 2.48% |

Water and Sewer Fund Expenditure Highlights

Departments were tasked with level funding FY 2022 operations using FY 2021 original budget amounts, excluding personnel and city-wide expenditures. Items outside of level funding were submitted as "unfunded requests" to be considered for funding in FY 2022. This included new personnel, new initiatives, technology items, vehicles and equipment and any facility improvements. Various initiatives were funded in the FY 2022 budget and are summarized below.

New Initiatives for FY 2022

Investment in Employees - \$349,666

- A 2.5% cost of living adjustment is included for all employees effective October 1, 2021. The cost of the Water and Sewer Fund portion of the cost of living adjustment is \$274,718
- As part of the adopted budget, an additional holiday, Juneteenth, has been added with a total impact of \$74,948 to the Water and Sewer fund

Health Insurance

- The budget includes a \$25,000 transfer from the Water & Sewer Fund to the City's Health Insurance Fund to ensure the fund maintains a positive fund balance
- The adopted FY 2022 budget includes an 3.6% increase to cover health insurance premiums due to increased costs from Blue Cross Blue Shield

Debt Service

- The FY 2022 adopted budget includes a \$173,351 increase in debt service. An additional \$2,500 is budgeted for fees associated with debt service.
- Overall debt service represents about 22% of the total FY 2022 expense budget.
- In FY 2019, the City Council approved the 2019 Clean Water SRF and Drinking Water SRF issuance which was funded through a three year consecutive rate increase of 2% each year.

Accounting & Finance Budget Highlights

- Compared to the FY 2021 original budget, overall salaries and benefits decreased by \$60,545 due to the combination of personnel increases associated with the 2.5% COLA and the lifting of the hiring freeze, along with the transfer of a position to the General Fund that was incorrectly budgeted in Water and Sewer in prior year.
- Excluding salaries and benefits, the total departmental budget is level funded.

The Information Technology Department provides centralized technology services to the City of Tuscaloosa, with these services playing a critical and strategic role in the delivery of government to our citizens.

Technology services certainly include the functions above; however, these also include public safety radio and communications, cellular data services, mobile data services (allowing field staff to work from their vehicles) technology procurement and cybersecurity; which in today's world is of ever-increasing importance to ensure the function of government continues in an uninterrupted fashion.

We hold our responsibilities in the highest regard and work diligently to ensure Tuscaloosa meets our Standard of Excellence to be the most innovative and efficiently managed city in the United States.

Infrastructure and Public Services (IPS), comprising of Administration, Engineering, Infrastructure, Logistics and Asset Management, and Public Services, accounts for nearly one third of City employees. IPS manages approximately \$36M in General Fund dollars, \$25M in Water & Sewer dollars, \$186M in Capital Project dollars, and \$154M in Grant Project dollars. The department operates on the core principle of delivering the highest caliber of performance and integrity while providing the citizens of Tuscaloosa with exceptional customer service both at City Hall and in the community. Infrastructure and Public Services manages and facilitates all infrastructure, capital projects, public facilities, and public services for the City of Tuscaloosa. The department achieves this by working together, always being prepared for all scenarios, using asset management principles to drive decisions, and consistently providing excellent customer service. For a more detailed review of Infrastructure and Public Services, please reference the 2020 Annual Report that can be found on the City's website.

Infrastructure & Public Services Budget Highlights

- Compared to the FY 2021 original budget, overall salaries and benefits increased by \$629,463 due to personnel increases associated with the 2.5% COLA, lifting of the hiring freeze, and additional costs associated with the addition of 3 part time Meter Reader positions.
- Excluding salaries and benefits, the total departmental budget is level funded with the following exceptions:
 - \$4,954 increase in costs associated with the addition of the Juneteenth holiday
 - \$9,300 increase for uniform allotments
 - \$31,507 decrease in utility costs

Infrastructure & Public Services Goals

| | Target Date | | Core | Belief | |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|----|------|--------|----|
| Short-Term Goals: | Target Date | #1 | #2 | #3 | #4 |
| PACT: A continued initiative to achieve the Mayor's standard of excellence through equipping the department in the areas of Planning and Preparedness, Asset Management, Customer Service, and Training. Overall this is IPS's strategy to successfully support the Mayor's core beliefs and standard of excellence. | Ongoing | | X | | X |
| Capital Improvements: Complete capital projects that focus on significant improvements to our water & sewer infrastructure as outlined in IPS's four-year plan. | Ongoing | х | x | х | х |
| Elevate Tuscaloosa: IPS will work with other City departments and outside organizations to assist in the implementation of the Elevate Projects. | Ongoing | | X | X | Х |
| Expand Tuscaloosa Builds: Coordinate with the City of Northport and other areas of West Alabama to adopt and utilize the Tuscaloosa Builds program to promote the growth of small and disadvantaged businesses. Partner with entities such as The University of Alabama and The Chamber of Commerce of West Alabama, and Shelton State Community College to provide free training resources to disadvantaged businesses, create new programs such as a re-entry program for previously incarcerated individuals, and lobby for increased inclusion of disadvantaged contractors on public works contracts. | Ongoing | | X | X | X |

Infrastructure & Public Services Goals (continued)

| | Tayget Date | | Core | Belief | |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|----|------|--------|----|
| Short-Term Goals (continued): | Target Date | #1 | #2 | #3 | #4 |
| Annual Report: To increase transparancy within Infrastructure and Public Services, the department will release an Annual Report to give citizens a deeper look into operations and how IPS employees contribute to the community. This is used internally to create benchmarks to improve workflow and budgetary efficiencies | Ongoing | | X | | X |
| Policies and Procedures: Ongoing development to streamline and create efficiencies in the operations of the department. | Ongoing | | | | х |
| Asset Management: Integrate asset management in the daily operations of all divisions. | Ongoing | | Х | Х | Х |
| Metering Initiative: There are approximately 55,00 meters read by the City each month. Out of those, we have to conduct re-reads of approximately 6,000 meters which means multiple trips are made to these meters each month. IPS has begun the meter change out program so the number of re-reads will decrease. | Ongoing | X | X | X | X |

Infrastructure & Public Services Goals (continued)

| | Core Belief | | | | |

The Office of the City Attorney (OCA) serves as legal counsel to the City of Tuscaloosa.

The broad range of services provided by the Attorneys and Support Staff in this office include:

- Legal advice to elected and non-elected city officials
- Drafting ordinances, resolutions, policies and other documents
- Contract negotiation, drafting, review and execution
- Monitoring City policies and procedures for compliance with state and federal law
- Litigation in state and federal courts at both the trial and appellate level
- Claims and collections
- Property acquisition services for the City
- Prosecution of criminal offenses in municipal court and on appeal to state circuit court

Urban Development is an office of 54 customer service-oriented employees in five divisions – Administration and Economic Development; Planning; Building and Inspections; Water and Sewer Customer Service; and Special Projects. Urban Development embodies three of Mayor Maddox's four core values and works to make Tuscaloosa the most accountable, innovative, and effectively managed city in the United States. Through repeated interactions with our citizens, we have myriad opportunities each year to provide an elite customer service experience.

Office of Urban Development Budget Highlights

- Compared to the FY 2021 original budget, overall salaries and benefits increased by \$127,828 due to personnel increases associated with the 2.5% COLA and lifting of the hiring freeze.
- Excluding salaries and benefits, the total departmental budget is level funded.

Infrastructure & Public Services

| | | | | | Core Belief | | | |
|----------|-----------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|----|-------------|----|----|--|
| Priority | Request | Reason | Cost | #1 | #2 | #3 | #4 | |
| 1 | Hidden Revenue Locator (Infrastructure - Meters) | The Hidden Revenue Locator reduces apparent revenue losses and drives more revenue by identifying individual meter issues with the potential to deliver the largest revenue gain and help prioritize meter replacement. | \$ 92,060 | | X | | Х | |
| 2 | Meter Replacement Needs (Infrastructure - Meters) | Meter replacements will resolve current meter issues and aid in the efficiency and accuracy of the Hidden Revenue Locator. | 432,900 | | Х | | Х | |
| 3 | Chemicals (Logistics - Fletcher) | This request would purchase the polymer for the solids building and Bioxide odor control for Lift Stations 2, 3, and 4 for Amphitheater events and continuously for Lift Stations 15 and 41. | 114,000 | х | | | Х | |
| 4 | Water Line Upgrades Identified (Infrastructure - Distribution) | IPS has identified several water line replacement needs throughout the City. These replacements work to correct insufficient fire flow and upgrade the piping system. | 582,125 | х | | | х | |
| 5 | Termination Manhole Upgrade Initiative (Infrastructure - Collections) | This initiative will remove a vulnerability within the collection system. All piping segments not terminated by an end of line manhole create maintenance issues. Adding terminating manholes to these approximately 35 locations would assist to alleviate these issues and reduce City liability by allowing for proper preventive maintenance at these locations. | 100,000 | х | | | х | |
| 6 | Engineering contract for routing chlorine dioxide to redundant raw water line (Logistics - Ed Love) | This contract would make the redundant raw water line to be an exact duplicate of the main raw water line. | 50,000 | х | | | Х | |

Infrastructure & Public Services (Continued)

| | | | | | Core | Belief | |
|----------|----------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|----|------|--------|----|
| Priority | Request | Reason | Cost | #1 | #2 | #3 | #4 |
| 7 | Detailed Inflow and Infiltration Study Initiative (Infrastructure - Collections) | This initiative would allow for integration with smoke test and detailed inflow and infiltration studies with the current Residential Lateral Assistance Program (RLAP). This would allow the City to locate infiltration issues within the City maintained system and private lateral system as well as create a funding plan to reduce infiltration into the City collection system and integrate with the current RLAP program to incentivize the public to reduce infiltration on private services. | \$ 50,000 | | | | x |
| 8 | Roll up door addition to the chlorine dioxide building (Logistics - Ed Love) | The original funding for this project did not allow for a door to be placed on this building. This building is currently open to the elements and a roll up door is being requested for longevity of equipment life. | 25,000 | | | | Х |
| 9 | Chemical supplies- lab increase (Logistics - Ed Love) | This is to cover the projected increase in chemical prices is following 20-25% due to COVID and chemical market expansion. | 5,500 | Х | | | Х |
| 10 | Chemicals (Logistics - Ed Love) | This is to cover the projected increase in chemical prices is following 20-25% due to COVID and chemical market expansion. | 200,000 | X | | | х |
| 11 | Chemicals (Logistics - Plott) | This is to cover the projected increase in chemical prices is following 20-25% due to COVID and chemical market expansion. | 50,000 | | | | х |
| 12 | Chemical Supplies - Lab Increase (Logistics - Fletcher) | This is to cover the projected increase in chemical prices is following 20-25% due to COVID and chemical market expansion. | 18,000 | Х | | | х |
| 13 | Pump service and repair contract (Logistics - Ed Love) | Cost savings and less downtime of pumps. This also aligns the Water Treatment Plants with the way the Wastewater Treatment Plant handles down pumps. | 45,000 | Х | | | Х |
| 14 | Replace old manual screen (Logistics - Fletcher) | The current bar width has expanded to allow more rags to go through. This replacement will restore it back to new so it doesn't interfere with other processes in the plant. | 50,000 | X | | | Х |
| 15 | Clarifier Motor Replacements (Logistics - Fletcher) | Current clarifier motors are old/worn and towards the end of their useful life. | 50,000 | Х | | | Х |
| 16 | Valve Replacements (Logistics - Fletcher) | To replace old valves that are not opening and closing properly. | 65,000 | Х | | | Х |
| 17 | Lift Station Pump Repairs (Logistics - Fletcher) | To be able to send pumps off and have them repaired. | 100,000 | X | | | Х |

Infrastructure & Public Services (Continued)

| | | | | | Core | Belief | • |
|----------|---------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------|----|------|--------|----|
| Priority | Request | Reason | Cost | #1 | #2 | #3 | #4 |
| 18 | 2" Galvanized Renewal Initiative (Infrastructure - Distribution) | This initiative will remove a vulnerability within the distribution system. All galvanized piping throughout the City's water distribution system is reaching the end of useful life expectancy. This type of piping currently in service within the distribution system continues to experience extreme numbers of leaks and failures. | \$ 4,500,000 | X | | | х |
| 19 | Chemical Supplies - lab increase (Logistics - Plott) | Projected increase in chemical prices is following 20-25% due to COVID and chemical market expansion | 7,000 | Х | | | Х |
| 20 | UV Upgrade Parts (Logistics - Fletcher) | To get the current UV system back up and running to the automatic setting. This will save money on power because the system will only use power it needs. | 300,000 | Х | | | Х |

ELEVATE TUSCALOOSA FUND SUMMARY

Elevate Tuscaloosa is a long-term community-driven process for strategically investing in education, cultural arts, tourism, parks, recreation, connectivity, and public safety. The Elevate Tuscaloosa Fund is a perpetual fund; therefore, certain revenues can be carried forward to allow for expenditure flexibility.

The below information summarizes the budgeted Elevate Tuscaloosa Fund revenues and expenditures for FY 2022, and provides project highlights. The Elevate fund is balanced, with net revenues expected to be \$17,530,000. Net Revenues are calculated below; this amount is used to calculate other items in the Elevate budget.

| Total Revenues, Net | \$ 17,530,000 | | | | | |

Revenue Highlights

Sales and Use Tax - \$17,530,000, net of rebates and environmental service fees transfer

- Effective October 1, 2019, the total sales tax rate within the City increased from 9% to 10%. The City receives 3% of the sales tax directly and 19% of the County's portion. The 1% increase in City sales tax is restricted for Elevate Tuscaloosa.
- In September 2020, the City was awarded a \$15 million grant by the U.S. Department of Transportation under the Better Utilizing Investments to Leverage Development (BUILD) Program. This grant will be used for the Western Riverwalk project within the Connectivity category. The grant proceeds are included in the FY 2022 budget, along with the project costs in equal amount.
- Gross revenue projections related to Elevate are reduced by a sales tax abatement the City currently has outstanding. The City has an agreement to abate 78% of net sales tax for the six anchor tenants at the Shoppes of Legacy Park. In exchange for the tax incentives, the developer has committed to creating at least 200 full time jobs for the six anchor tenants and 400 for the entire development. In addition, revenues are reduced by sales tax abatements related to the Construction Mitigation Program. The City is currently negotiating a new incentive agreement to abate a portion of the net sales tax generated by a new gas station and convenience store development in the Alberta area.
- In an effort to help offset the 1% sales tax increase, an environmental service fee rate decrease was approved by the City Council in FY 2019, reducing the fee for a citizen's first garbage cart to \$3.25 for bills after November 1, 2019. The cost of this subsidy is estimated at approximately \$5,000,000 and is reimbursed by the Elevate Fund to the General Fund each year.
- The City actively pursues grant opportunities and public-private partnerships in order to leverage the local funding provided through Elevate. To-date, the city has been awarded over \$26 million in grants and private funds.

Expenditure Highlights

Elevate strategically invests in education, cultural arts, tourism, parks, recreation, connectivity, and public safety. The Elevate Tuscaloosa Advisory Council reviews projects within the categories of cultural arts, tourism, parks, recreation, and connectivity. These projects may be revised, added, or removed over time.

Administration and Other

ETF Operations and Maintenance: Beginning in FY 2022, 15% of net revenues will be set aside annually to cover operating and maintenance expenses for Elevate Tuscaloosa projects. Unused budgeted funds are retained in the Elevate fund and remain restricted for future use within this category. The allocation for FY 2022 is \$2,629,500. Within this total, \$194,160 is budgeted as a transfer to General Fund to reimburse IPS for operations and maintenance costs of Elevate projects and \$139,500 is budgeted as a transfer to the Public Works Capital Fund to reimburse IPS for the cost of the equipment related to the operating costs. The percentage of net revenues set aside is up from prior years.

Connectivity

- **Downtown-University Corridor**: Part of a larger, phased effort, this project will make improvements to University Boulevard in key remaining areas, including on the east in Alberta and on the west in the area between downtown and the west side of the University of Alabama campus. The initial funding of \$750,000 will be used for professional services for the project.
- **Downtown, Riverfront and Workforce Transit**: \$55,500 in funding will provide Tuscaloosa County Parking and Transit Authority with local matching funds needed for federal grants that will be used for capital purchases and operating costs.
- Northern Riverwalk: Funding from the 2020-A Elevate bond issue will continue to be used in the ongoing construction of this project, which is expected to be completed by late 2021.
- Western Riverwalk: \$15,000,000 in funding from a federal grant will be used to extend the existing Riverwalk westward from the Tuscaloosa Amphitheater to Oliver Lock and Dam. Other funds for this project include a grant from the Alabama Department of Economic and Community Affairs (ADECA) and City funding from both the 2020-A Elevate bond issue and the General Fund Reserve for Future Improvements. FY 2022 project work will include environmental assessments, land acquisition, master planning, and design.

Cultural Arts and Tourism

- Saban Center: \$1,000,000 in funding will be used for professional services as the project progresses onward through programming, design, and fundraising phases.
- Gateway Discovery Center: \$250,000 in funding will be used for professional services that will consider ways to update the facility and its technology offerings. This project was recommended by Project Unity.

Parks and Recreation

- Benjamin Barnes YMCA: \$500,000 in funding will be used to begin professional services for rebuilding this facility. This project was recommended by Project Unity.
- Bowers Park: \$750,000 in funding will be used to repave roads in the park and demolish the retired tennis courts.
- McAbee Center: \$500,000 in funding will be used on professional services to design an elite active aging facility.

ELEVATE TUSCALOOSA FUND SUMMARY

Parks and Recreation (continued)

- River District Park: Funding from the 2020-A Elevate bond issue will be used to construct the park, which is expected to be completed by the first half of 2022.
- Snow Hinton Park: \$500,000 in funding will be used for professional services to design the first phase of improvements from the park master plan that was completed in early 2021.
- Sokol Park: \$1,660,000 in funding will be used for both repaving roads in the park and improving Watermelon Road.
- Tuscaloosa Tennis Center: \$500,000 in funding will be used for professional services to expand the existing facility.

Education

- Tuscaloosa Pre-K Initiative: This initiative provides a year of education to students before they begin kindergarten. The Tuscaloosa City School system has used this funding to hire teachers and offer Pre-K to more students. In 2020-2021, every interested, wait-listed family was able to access Pre-K. The funding for FY 2022 is \$364,140.
- Summer Learning Academies: This program offered by the Tuscaloosa City School System combats the "summer slide" a regression in learning among students during summer breaks from school by providing a range of learning activities to keep their minds active. Elevate funding of \$275,000 is directed toward K-3 students, the most academically at-risk. In 2021, over 1,900 students in K-3 participated.
- Career and College Ready Dual Enrollment Scholarships: This program provides scholarships for eligible 11th and 12th grade students in Tuscaloosa City Schools to obtain up to 6 credit hours from the University of Alabama, Shelton State Community College, or Stillman College. Over 300 students enrolled in scholarship-funded courses during the 2020-2021 school year. The funding for FY 2022 is \$765,000.
- Skilled Trades Academy of West Alabama: New for FY 2022 and targeting students seeking to be career-ready, funding of \$50,000 will be provided to this non-profit agency. The organization offers apprenticeships in electrical, HVAC, plumbing, sheet metal, and alarm systems.

Restart Tuscaloosa

Restart Tuscaloosa: An initiative to invest in public safety, neighborhoods, small businesses, the experience economy, and local agencies in response to the COVID-19 pandemic. The FY 2022 budget of \$6,750,000 is the final funding installment and will be split among Public Safety (\$2 million), Experience Economy (\$1.25 million), and Neighborhoods (\$3.5 million). The Public Safety allocation will be budgeted as a transfer to the Public Safety Capital Fund and used as a funding source for Fire Station #6. A portion of the Experience allocation (\$577,352) will be budgeted as a Transfer to General Fund and used as a funding source for agency funding to Tuscaloosa Tourism and Sports. Another portion of it (\$25,000) will be budgeted as a Transfer to General Fund and used for a special appropriation to Tuscaloosa Tourism and Sports.

Public Safety

Public Safety: 15% of net revenues in FY 2022 will be invested into Public Safety initiatives. The FY 2022 allocation of \$2,629,500 will be budgeted as a Transfer to General Fund and used as a funding source for the public safety pay plan. The percentage of net revenues set aside is up from 7.5% in prior years.

Debt Service

Debt Service: Details of the debts and debt service amounts are included in the table below.

GENERAL FUND FACILITY RENEWAL FUND SUMMARY

Fund Overview

<u>Fund Description:</u> The General Fund Facility Renewal Fund is consolidated as part of the General Fund for financial reporting purposes. The purpose of the fund is to account for capital outlays associated with improvements to city owned facilities.

Funding Source: The General Fund Facility Renewal Fund is funded annually by the General Fund. The annual contribution amounts to approximately \$300,000.

GENERAL RESERVE FOR FUTURE IMPROVEMENT FUND SUMMARY

Fund Overview

Fund Description: The General Reserve for Future Improvement Fund is consolidated as part of the Capital Projects Fund for financial statement reporting. This fund holds the general fund reserve balance which as of September 30 of each fiscal year should be a minimum of ten percent of the prior year general fund budgeted operating expenses.

<u>Funding Source:</u> The General Fund Reserve for Future Improvement Fund is funded through annual surplus transfers from the General Fund. The surplus transfer is calculated in March of each year once the financial statements are completed and the external auditors have issued their opinion.

Fund Overview

<u>Fund Description:</u> Gasoline Tax Funds are classified as a non-major special revenue fund. The purpose of the fund is to account for gasoline taxes that are designated for maintenance, and improvement of public streets and highways.

<u>Funding Source:</u> The Gasoline Tax Funds includes the RRR Gasoline Tax Fund, Public Highway and Traffic Fund, and the State Gasoline Tax Fund. Although the funds are consolidated, each fund is accounted for individually.

Gasoline tax funds transfer funding received each year to the General Fund Reserve for Future Improvements for the annual paving project. Below are the last five years of gasoline tax transfers:

2017 - \$864,432

2018 - \$750,000

2019 - \$700,000

2020 - \$1,000,000

2021 - \$800,000

Total - \$3,414,432

ALABAMA TRUST FUND SUMMARY

Fund Overview

<u>Fund Description:</u> The Alabama Trust Fund is classified as a non-major special revenue funds. The purpose of the fund is to account for state funds which can be used for capital improvements.

Funding Source: The Alabama Trust Fund was created to account for the City's share of the annual allotment of the state funding. In 1985, through state amendment number 450 to the Constitution of Alabama of 1901, the fund was created as an irrevocable, permanent trust fund. The Alabama Trust Fund was established to capture revenues from sales of offshore drilling rights and from royalties on the resulting gas production.

Fund Overview

<u>Fund Description:</u> The Coronavirus Relief Fund is a non-major capital projects fund for financial reporting purposes. The purpose of this fund is to account for the funding received from the American Rescue Plan Act issued by President Biden to provide direct relief to Americans, contain covid-19, and rescue the economy.

<u>Funding Source:</u> The Coronavirus Relief Fund is a direct allocation of federal aid based on the City's share of the U.S. population, metropolitan area basis, and census income reporting. The total amount allocated to the City of Tuscaloosa is \$20,529,224.

WATER AND SEWER RESERVE FOR FUTURE IMPROVEMENT FUND SUMMARY

Fund Overview

Fund Description: The Water and Sewer Reserve for Future Improvement Fund is consolidated as part of the Water and Sewer Fund for financial reporting purposes. This fund holds the water and sewer reserve balance which as of September 30 of each fiscal year should be a minimum of thirty percent of the prior year audited water and sewer operating expenses.

<u>Funding Source:</u> The Water and Sewer Reserve for Future Improvement Fund is primarly funded through the annual surplus transfers. The surplus transfer is calculated in March of each year once the financial statements are prepared by the external auditors.

<u>Future Planning:</u> As part of the FY 2022 budget process, a Water and Sewer 10 year plan was adopted. Adopted rate increases and future bond issuances will fund much needed infrastructure improvements. Below is a detail of the short term and long term projects that were approved by Council.

STATE REVOLVING LOAN FUND SUMMARY

Fund Overview

<u>Fund Description:</u> The State Revolving Loan Fund is consolidated as part of the Water and Sewer Fund for financial reporting purposes. The purpose of the fund is to account for projects that are funded through the Alabama Department of Environmental Management (ADEM) loan program that offers low interest to finance public infrastructure improvements in Alabama.

<u>Funding Source:</u> The State Revolving Loan Fund is application based through ADEM and is funded through a blend of state and federal capitalization funds.
