

Summary – All garbage carts must be removed from city right of way by 8am the day after the scheduled garbage collection. Properties located in an historic district may not be placed or stored in the front yard (see diagram below) unless out for regularly scheduled collection or service. Therefore must be removed from the curb and placed behind the front of the house by 8:00am the day after the regularly scheduled garbage collection.

Historic District – Garbage cart storage and placement

Excerpts from Tuscaloosa City Code of Ordinances

Historic District – carts must be removed from the front yard (Sec 20-15.33)

It shall be unlawful for any owner, tenant, occupant or person having charge or control of the premises to cause or allow a garbage cart to be stored, placed or remain in the front yard of a business or residence in an historic district except when placed at curbside for collection pursuant to subsection 16-93(b).

- Penalty - \$25.00 per incidence, plus court costs (currently about \$180+)

Carts off the right of way by 8:00am – city wide (Sec. 16-93)

It shall be unlawful and constitute a public nuisance from any person participating in the commercial collection system to allow or permit a garbage receptacle to remain at curbside or upon city right-of-way for a period of time exceeding 8:00 a.m. the day after the scheduled time for garbage collection for that area.
