Certification of Applicant

I understand that this permit is conditioned upon the correctness of the information I have supplied above and may be revoked upon a finding by the building or zoning official that any relevant item of information is substantially incorrect. I further understand that this permit shall be null and void unless construction on the sign has substantially commenced within six (6) months from the date on which this permit is issued. I certify that all of the above information is true and correct.

I HAVE REVIEWED, COMPLETED, & AGREE TO ALL SUBMITTIAL REQUIREMENTS ON THE BACK OF THIS APPLICATION

Print Name: _____ **Signature:** _____ **Date:** _____

Please review the following information prior to application submission:

Applicability:

No person shall erect, alter, relocate, repair, replace the face of, or change a sign without first obtaining a permit; except for the following actions, which shall not require a permit:

1. Changing the copy, announcement, or message on a changeable copy sign
2. Cleaning, painting, or comparable maintenance of a sign that does not alter the size, image or message of the sign
3. Erecting a sign for which a permit is not required in accordance with Section 24-134 (Signs Allowed Without Permit) of the City of Tuscaloosa Municipal Code

Submittal Requirements:

NO request for a sign permit shall be considered complete until **ALL** of the following items have been submitted: (minimum drawing scale: 1" = 60')

- SIGNED and complete billboard permit application
- SITE PLAN scaled to show all of the parcel information existing and proposed, which includes:
 - Location of all existing and proposed billboards
 - Property lines
 - Public right-of-ways and easements
 - Buildings
 - All existing billboards within a two thousand (2,000) foot radius of any proposed billboard
- SITE ELEVATION renderings showing the dimensions of any existing or proposed billboard structure
- MAXIMUM and MINIMUM height of the sign as measured from finished grade
- ELECTRICAL RENDERINGS in cases where a digital board is being installed
- ACKNOWLEDGEMENT for any sign that contains electronic, digital or video components, the business owner or manager must sign this form to certify their understanding of the "Limitations & Restrictions of Electronic, Digital, or Video Signage".

Some sign applications shall require a State of Alabama registered architect or engineer's seal and a written statement certifying that said sign structure(s) complies with the building code requirements concerning the same.

Limitations & Restrictions of

Electronic, Digital, or Video Signage:

The use of electronic, digital or video technology in signs is permitted and allowed, subject to the following limitations and additional restrictions:

- A. Such technology shall be programmed so that the message or image on the sign changes no more often than once every eight (8) seconds.
- B. There shall be no effects of movement, blinking, animation, scrolling, flashing, scintillation, or similar effects in the individual images.
- C. Changes of image shall be instantaneous as seen by the human eye and shall not use fading, rolling, window shading, dissolving, or similar effects as part of the change.
- D. Video technology in signs shall use automatic level controls to reduce light levels at night and under cloudy and other darkened conditions, in accordance with the following standards. All electronic, video or digital display unit signs shall have installed ambient light monitors, and shall at all times allow such monitors to automatically adjust the brightness level of the electronic sign based on ambient light conditions. Maximum brightness levels for electronic, video or digital display signs shall not exceed five thousand (5,000) nits when measured from the signs face at its maximum brightness, during daylight hours, and five hundred (500) nits when measured from the signs face at its maximum brightness between sunset and sunrise, as those times are determined by the National Weather Service.
- E. Any changeable copy sign using electronic, digital or video technology which malfunctions, fails or ceases to operate in its usual or normal programmed manner, causing motion, movement, flashing or any similar effects, shall be restored to its normal operation conforming within this section within forty-eight (48) hours unless the Director of the Tuscaloosa Department of Transportation considers such malfunction to be a hazard to the health, safety and welfare of the public and orders the sign to be turned off, disconnected or disabled.
- F. Any changeable copy freestanding sign using electronic, digital or video technology shall not exceed fifty (50) square feet in area excepting therefrom billboards as set forth in subsection (4).
- G. No billboard or sign containing a commercial message related to goods, services, products or other commercial activities that are not offered on the same premises on which the sign is located shall be permitted and allowed except in those locations where billboards are permitted and allowed.
