Certification of Applicant

I hereby certify that I have read and examined this application and known the same to be true and correct. I understand that consideration of this application is based upon the correctness of the information I have supplied and that any permit (s) granted may be revoked upon finding by the Tuscaloosa Historic Preservation Commission that any relevant information supplied on or with the application is substantially incorrect. I further understand that only complete applications including all required exhibits, and fees are considered by the commission and must be received by the City of Tuscaloosa Office of Urban Development, Planning Division by the scheduled deadline in order to be placed on the agenda.

It is my understanding that a Certificate of Appropriateness shall become void unless construction is commenced within six (6) months of the date of issuance. Certificates of Appropriateness shall be issued for a period of eighteen (18) months and are renewable.

It is my understanding that a building permit issued by the City of Tuscaloosa Office of Urban Development, Planning Division is required for all work being done in historic districts.

Finally, it is my understanding that the plans submitted with this application and approved by the Commission are *final*, and, pending Commission approval, I am bound to follow the plans as approved. Should there be any changes to the approved plans, I understand that those changes must be reviewed prior to any work associated with such changes occurring.

RECOMMENDED Application Materials:

Graphic Exhibits:

Three-dimensional drawings (perspective, isometrics), though not generally required, are recommended for additional clarity.

The Commission may require other drawings, illustrations, descriptions, and/or specifications, as required on a case-by-case basis when the Commission considers such additional information necessary to make an informed decision.

REQUIRED Application Materials:

New Construction, Alterations, or Additions:

Dimensioned site plans: showing all buildings, additions, drives, sidewalks, fences, exterior lighting, large trees, landscaping, and other site work locations, drawn to scale no less than 1" = 10'-0".

- (1) Existing Conditions
- (2) Proposed Conditions

Dimensioned exterior elevations: including sufficient detail, both graphic and written, to describe all exterior design features and materials, drawn to scale no less than ¼" = 10'-0".

- (1) Existing Conditions
- (2) Proposed Conditions

List of all materials to be utilized and samples or brochures of materials for proposed building or addition, including any site furnishings.

Photos of existing structure/site where changes are proposed.

Where scale or massing of alteration is a concern, include elevations of neighboring buildings.

Signage:

Drawings and/or photographs of the sign.

For freestanding signs, a site plan showing proposed location. If a sign is four feet (4') or taller, an engineered drawing will be required for submittal.

Landscaping & Parking:

Dimensioned plans drawn to scale no less than 1" = 10'-0".

For parking, indicate the percentage (%) of the yard from the rear face of the house to the rear property line that will be occupied by parking. In cases where the area is over 500 square feet, the application and site plan will be reviewed by the Office of the City Engineer for runoff and storm water concerns.

List of all materials to be utilized.
